

## DEPARTMENT OF PHYSICS

### DEPARTMEN TIME TABLE – SEM I, II, IV – 2022-23

|           | Group  | 1         | 2                    | 3          |  | 4                           | 5                | 6 |
|-----------|--------|-----------|----------------------|------------|--|-----------------------------|------------------|---|
| Monday    | Sem I  |           |                      |            |  | Physics                     |                  |   |
|           | Sem II |           |                      |            |  |                             | Practical (MPCs) |   |
|           | Sem IV |           |                      |            |  | Physics IV                  |                  |   |
| Tuesday   | Sem I  | Physics   |                      |            |  |                             |                  |   |
|           | Sem II |           | Physics              |            |  |                             |                  |   |
|           | Sem IV |           |                      | Physics IV |  | Physics V Practical (MPC)   |                  |   |
| Wednesday | Sem I  | EA        |                      | Physics    |  |                             |                  |   |
|           | Sem II | SE        | Physics              |            |  |                             |                  |   |
|           | Sem IV | Physics V |                      |            |  | Physics IV Practical (MPCs) |                  |   |
| Thursday  | Sem I  |           |                      |            |  | PHY Practical (MPC)         |                  |   |
|           | Sem II |           | Physics              |            |  |                             | SE               |   |
|           | Sem IV |           |                      | Physics IV |  |                             |                  |   |
| Friday    | Sem I  | Physics   |                      | EA         |  |                             |                  |   |
|           | Sem II |           | Practical (MPC)      |            |  |                             |                  |   |
|           | Sem IV |           | Physics V            |            |  | Physics V Practical (MPCs)  |                  |   |
| Saturday  | Sem I  |           | PHY Practical (MPCs) |            |  |                             |                  |   |
|           | Sem II | Physics   |                      |            |  |                             |                  |   |
|           | Sem IV | Physics V |                      |            |  | Physics IV Practical (MPC)  |                  |   |
