INDEPENDENCE DAY CELEBRATIONS

DATE : 15-08-2024

The college marked Independence Day with a solemn and spirited celebration, during which Dr. P. Chandra Sekhar, the Principal, had the honor of hosting the national flag. The ceremony began with Dr. Sekhar leading the flag hoisting, accompanied by a rendition of the national anthem, which instilled a sense of pride and unity among the attendees. The event was attended by students, faculty, and staff, all of whom gathered to commemorate the significance of the day and reflect on the values of freedom and patriotism. Dr. Sekhar's role in hosting the flag highlighted his commitment to fostering a sense of national pride and community within the college, setting the tone for a meaningful and memorable observance of Independence Day.

RECEIVED DISTRICT MERITORIOUS CERTIFICATE

DATE : 15-08-2024

DEPARTMENT OF PHYSICAL EDUCATION

On the occasion of Independence Day, Dr. Y. Poli Reddy from the Department of Physical Education was honored with a District Meritorious Certificate, presented by the District Collector. This accolade recognized Dr. Reddy's outstanding contributions and dedication to promoting sports and physical education within the district. The award highlighted his commitment to fostering athletic excellence and encouraging active participation among students. Receiving this prestigious certificate in the presence of the District Collector underscored the significance of Dr. Reddy's efforts and celebrated his role in enhancing the quality of physical education in the community. This recognition not only reflects his personal achievements but also brings added prestige to the Department of Physical Education and the college as a whole.

ప్రభుత్వ డిగ్రీ కాలేజ్ యలమంచిలిలో నూతన పీజీ కోర్స్

యలమంచిలి, జ్యోతి స్టూన్ :

కమిషనర్ కళాశాల విద్య, మంగళగిరి, ఆంధ్ర ప్రదేశ్ వారి యొక్క అనుమతితో అనలిటికల్ కెమిస్ట్రీ పీజీ కోర్సును ఈ సంవత్సరము నుండి అనగా 2024-2025 విద్యా సంవత్సరం నుండి ప్రారంభించడం జరుగుతుందని అన్నారు. ఈ పీజీ కోర్సులో 30 సీట్లు ఉన్నాయని, ఈ పీజీ కోర్సులో చేరాలంటే ఏపీ పీజీ సెట్ లో ఉత్తీర్ణత సాధించిందని తెలిపారు. త్వరలో ప్రారంభం కానున్న కౌన్సిలింగ్ లో ఆప్షన్లు నమోదు

చేసుకొని, ఈ కళాశాలలో చేరవచ్చని, రూరల్ ఏరియాల్లో ఇది ఒక మంచి అవకాశం అని, ఈ కళాశాల ప్రిన్సిపాల్ డాక్టర్ పి చంద్రశేఖర్

తెలిపారు. ఈ పీజీ కోర్సులో చేరే విద్యార్థిని విద్యార్థులకు ఫీజు రీఅంబర్స్మెంట్ ఉంటుందని, అందువలన గ్రామీణ ప్రాంత విద్యార్థిని విద్యార్థులు ఈ మంచి అవకాశాన్ని వినియోగించు కోవలసినదిగా కోరడమైందని అన్నారు. ఈ కళాశాలలో ఇదివరకే ఎం ఎస్ సి ఆర్గానిక్ కెమిస్ట్రీ నడుస్తూ ఉందని, ఈ సూతన పీజీ కోర్స్ రావడంతో ఎంఎస్సీలో ఆర్గానిక్ కెమిస్ట్రీ మరియు అనలైటికల్ కెమిస్ట్రీ అనే రెండు పీజీ కోర్సులు ఈ విద్యా సంవత్సరము నుండి అందుబాటులోనికి వస్తాయని తెలిపారు.

Under the directives of the Commissionerate of Collegiate Education (CCE) Andhra Pradesh, the college has recently introduced a new Postgraduate course in M.Sc. Analytical Chemistry. This addition marks a significant development in the college's academic offerings, reflecting the institution's commitment to expanding its educational programs and addressing the evolving needs of students and the industry. The M.Sc. Analytical Chemistry program is designed to provide advanced knowledge and technical skills in the field of analytical chemistry, which is crucial for various scientific and industrial applications. This new course will enable students to engage with cutting-edge techniques and methodologies in chemical analysis, preparing them for diverse career opportunities in research, industry, and academia.

The initiation of this program is expected to enhance the college's academic reputation and attract students interested in pursuing specialized studies in analytical chemistry.

The District Collector of Anakapalli has recently appointed Sri R. Ramarao, a distinguished Lecturer in Commerce, as a member of a key committee at the district level. This committee, which is headed by the District Education Officer of Anakapalli, is tasked with overseeing and implementing various educational initiatives and policies within the district. Sri Ramarao's appointment reflects his expertise and dedication to the field of education, positioning him to contribute significantly to the committee's efforts in enhancing the quality and effectiveness of educational programs and practices in the region.

As a member of this committee, Sri Ramarao will play a vital role in advising on and addressing issues related to commerce education, curricular development, and student welfare. His involvement in the committee is expected to bring valuable insights and practical perspectives, particularly given his background and experience in the academic sector. The District Education Officer and the committee will benefit from Sri Ramarao's contributions as they work collaboratively to achieve educational goals, implement reforms, and ensure that the district's educational standards meet the highest benchmarks. This nomination underscores the importance of experienced educators in shaping and guiding educational policy and practice at the district level.

ATTENDED AS MEMBER OF SCRUTINY

DATE : 12-08-2024

Sri R. Ramarao, a Lecturer in Commerce, recently participated as a member of a district-level committee headed by the District Education Officer of Anakapalli. This committee is tasked with overseeing and addressing various educational issues and initiatives within the district. As a member, Sri Ramarao contributed his expertise and insights into commerce education, helping to shape strategies and policies aimed at improving educational standards and addressing local challenges. His role involved collaborating with other committee members to review current practices, propose new initiatives, and ensure the effective implementation of educational programs.

Sri Ramarao's involvement in this committee highlights his dedication to enhancing the quality of education at the district level. By engaging with educational leaders and stakeholders, he played a crucial role in advocating for better resources and support for commerce education, as well as contributing to the broader goals of the committee. His participation not only reflects his commitment to professional development but also underscores the importance of involving experienced educators in shaping educational policies and practices. The work of the committee, enriched by Sri Ramarao's contributions, is expected to have a positive impact on the educational landscape of Anakapalli, benefiting both students and the community at large.

ATTENDED AS MEMBER OF BOS

DATE : 07-08-2024

DEPARTMENT OF HINDI

Dr. K. Sudha from the Department of Hindi recently served as a distinguished member of the Board of Studies (BOS) at Visakha Government Degree College for Women. In this capacity, Dr. Sudha contributed her expertise and insights to the development and review of the academic curriculum for the Hindi program. Her participation in the BOS meetings involved evaluating and recommending updates to course content, ensuring that it meets the highest educational standards and aligns with current academic and industry trends. Dr. Sudha's involvement reflects her commitment to enhancing the quality of education and her active role in shaping the academic direction of the Hindi department at the college. Her contributions are expected to help foster a more robust and relevant curriculum, benefiting both current and future students.

UNIVERSITY NOMINEE APPOINTED TO THE COLLEGE

DATE : 07-08-2024

Andhra University has recently appointed Dr. G. Nanaji Rao as the university nominee to the college, a significant move that reflects the university's ongoing commitment to strengthening institutional ties and ensuring academic oversight. Dr. Rao, a distinguished academic with extensive experience, will be serving in this role to facilitate a closer relationship between the university administration and the college, ensuring that the institution adheres to academic standards and strategic objectives set by the university. This appointment is expected to enhance the college's alignment with the university's broader educational goals and provide valuable guidance for both faculty and students.

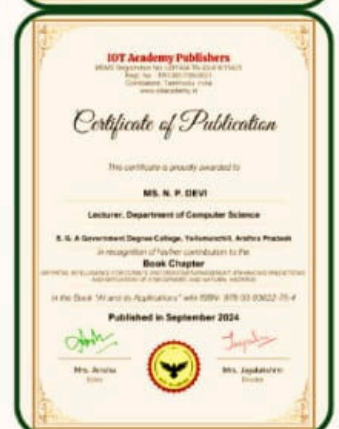

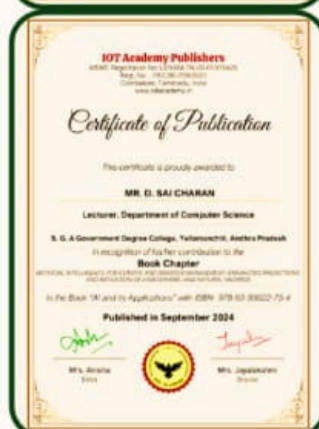

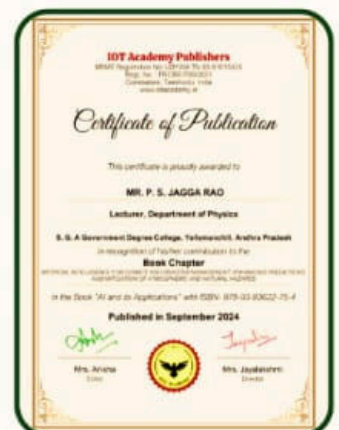

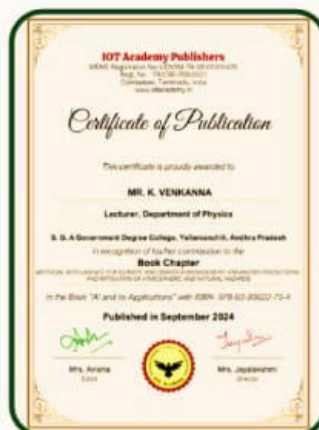

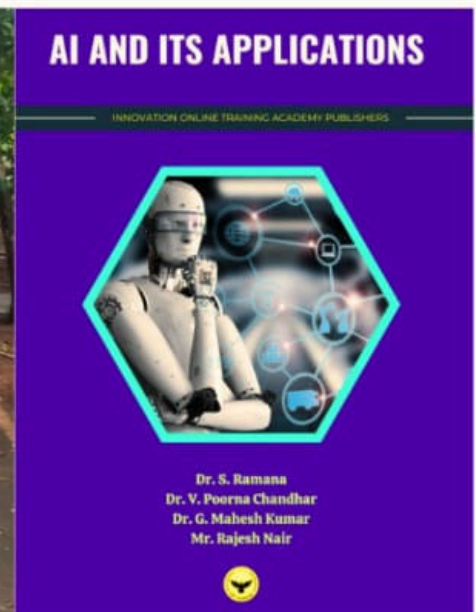

In light of this development, Dr. P. Chandra Sekhar, the principal of the college, extended his heartfelt appreciation to Dr. Y. Poli Reddy, the Head of the Department of Physical Education, for his instrumental efforts in securing this appointment. Dr. Reddy's proactive approach in engaging with university officials and advocating for the college's needs played a crucial role in facilitating this significant appointment. Dr. Sekhar commended Dr. Reddy for his dedication and effective communication, which were key in fostering positive relations with the university and advancing the college's interests. This acknowledgment not only highlights Dr. Reddy's contributions but also underscores the importance of collaborative efforts in achieving institutional objectives.

FACULTIES DELIVERED LECTURES FOR LMS

DATE : 17-08-2024

LEARNING MANAGEMENT SYSTEM

Faculty members from various departments recently delivered a series of informative lectures for the college's Learning Management System (LMS). These lectures were meticulously prepared to enhance the digital educational experience and provide students with high-quality, accessible content. Each faculty member contributed their expertise by creating engaging and comprehensive materials tailored to their respective subjects. The integration of these lectures into the LMS aims to enrich the students' learning experience, offering them a range of resources that can be accessed anytime and anywhere. This collaborative effort reflects the college's commitment to leveraging technology to support academic excellence and ensure that students receive a robust and flexible education.

STUDENTS SUCCESSFULLY REGISTERED FOR APAAR

DATE : 10-08-2024

In adherence to the instructions from the Commissionerate of Collegiate Education (CCE) Andhra Pradesh, students at the college have successfully completed their registration for the APAAR (Academic Performance Analysis and Assessment Report) system. This new initiative is designed to streamline the process of tracking and evaluating academic performance, providing a comprehensive and systematic approach to assessing student progress. The APAAR system will enable students, faculty, and administrators to monitor academic achievements, identify areas for improvement, and ensure that educational objectives are met efficiently. The successful registration of students for APAAR represents a significant step towards enhancing the institution's academic management and transparency.

ATTENDED AS TOT ON CREATIVE E-CONTENT GENERATION

DATE : 13-08-2024

Faculty members from various departments of the college recently participated in a Training of Trainers (TOT) workshop on Creative E-Content Generation, held at Visakha Government Degree College for Women. This workshop was designed to enhance the skills of educators in developing innovative and engaging digital content for online learning platforms. During the session, participants explored advanced techniques and tools for creating interactive and visually appealing e-learning materials that can enrich the educational experience. The training emphasized the importance of creativity and technology in modern pedagogy, equipping faculty members with the knowledge to produce high-quality educational resources. By attending this workshop, the faculty members aimed to improve their ability to design and implement effective e-content, ultimately benefiting their students and contributing to the college's commitment to educational excellence and technological advancement.

PARTICIPATED IN THREE DAY MASTER TRAINING WORKSHOP

DATE : 01-08-2024

DEPARTMENT OF HINDI

Dr. K. Sudha, a Lecturer in Hindi, recently took part in a transformative three-day master training workshop focused on Self-Directed Emotional Learning (SDEL) with an emphasis on empathy and kindness. This workshop was designed to provide educators with advanced tools and strategies to foster emotional intelligence in themselves and their students. Through a series of interactive sessions, Dr. Sudha explored various techniques for developing self-awareness, emotional regulation, and empathetic communication. The training aimed to equip participants with practical skills to create a supportive and emotionally intelligent classroom environment, where empathy and kindness are integral to student interactions and personal growth.

During the workshop, Dr. Sudha engaged in hands-on activities and reflective exercises that deepened her understanding of emotional learning principles. She gained valuable insights into how to incorporate these principles into her teaching practice, helping students to better manage their emotions and build positive relationships. The workshop also emphasized the importance of modeling empathy and kindness as an educator, enhancing the overall learning experience and fostering a compassionate school culture. By participating in this master training, Dr. Sudha not only advanced her own professional development but also positioned herself to make a meaningful impact on her students' emotional and social well-being.

PARTICIPATED IN FIVE DAY TOT

DATE : 07-08-2024 TO 11-08-2024

DEPARTMENT OF HINDI

Dr. K. Sudha, a dedicated Lecturer in Hindi, recently participated in a comprehensive five-day Training of Trainers (TOT) program conducted by the Commissionerate of Collegiate Education (CCE) at Dr. V.S. Krishna Degree and P.G. College (A). This intensive training session was designed to enhance the skills and knowledge of educators, equipping them with advanced techniques and methodologies to effectively train others in their respective disciplines. The program covered a range of topics including innovative teaching strategies, curriculum development, and assessment techniques enriched learning environment at her institution.

Throughout the five days, Dr. Sudha engaged in various interactive sessions, workshops, and collaborative activities aimed at refining her skills and gaining insights from experienced trainers. The training also provided a platform for networking with other educators, sharing experiences, and discussing contemporary challenges in education. By actively participating in this program, Dr. Sudha not only enhanced her own pedagogical skills but also prepared herself to disseminate this knowledge to her colleagues and students. This initiative aligns with her ongoing efforts to contribute to the advancement of educational standards and underscores her dedication to fostering an enriched learning environment at her institution.

REVIEWED ARTICLE

DATE : 19-08-2024

DEPARTMENT OF ZOOLOGY

ACTA SCIENTIFIC
International Open Library

Dr. Arjuna Apparao, a distinguished lecturer in Zoology, recently made a notable contribution to the academic community by reviewing an article published in the esteemed ACTA Scientific Veterinary Sciences Journal. This role is critical, as it involves evaluating the quality, validity, and significance of research before it reaches a wider audience. His expertise in Zoology allows him to provide valuable insights and constructive feedback, ensuring that the published work meets rigorous scientific standards. By participating in this peer-review process, Dr. Apparao helps uphold the integrity of the academic publishing process, thereby supporting the advancement of knowledge in veterinary sciences and related fields. By critically assessing research findings and methodologies, he helps authors refine their work and ensures that only robust, high-quality studies are disseminated to the broader scientific community. This meticulous scrutiny contributes significantly to the credibility of the journal and the reliability of the scientific knowledge it publishes, ultimately benefiting both researchers and practitioners in the field.

AWARENESS PROGRAM ON AGNIVEERVAYU

DATE : 01-08-2024

JAWAHAR KNOWLEDGE CENTER

The Jawahar Knowledge Center recently hosted an awareness program focused on the Agniveer Vayu initiative, a significant recruitment scheme introduced by the Indian Air Force. This program aimed to inform and educate potential candidates about the opportunities and benefits of joining the Air Force through the Agniveer Vayu scheme. The initiative seeks to recruit young, dynamic individuals for the Air Force under a four-year tenure, providing them with rigorous training and the chance to serve the nation. The event included detailed presentations on the eligibility criteria, selection process, and career prospects available through the scheme. Additionally, participants had the opportunity to interact with serving personnel and experts who shared first-hand experiences and insights about life in the Air Force.

JKC BATCH STARTED

DATE : 08-08-2024

JAWAHAR KNOWLEDGE CENTER

The JKC (Jawahar Knowledge Center) for the 2024-25 batch has officially commenced, ushering in a new academic year with a comprehensive curriculum designed to equip students with essential skills for competitive examinations and professional success. The session began with a robust schedule of classes focusing on critical areas such as arithmetic, reasoning, general English, and general knowledge.

Together, these classes form a well-rounded educational experience that prepares students for the diverse challenges they may face in competitive exams and beyond. The JKC program is committed to fostering a supportive learning environment where students can develop their skills, build confidence, and achieve their academic and career goals.

HAR GHAR THIRANGA

DATE : 10-08-2024

NATIONAL SERVICE SCHEME

The NSS (National Service Scheme) unit of the college recently organized a vibrant "Har Ghar Tiranga" rally, an initiative aimed at celebrating national pride and promoting the importance of the national flag. The rally saw enthusiastic participation from students across various departments, who came together to demonstrate their patriotism and commitment to national unity. The event featured a colorful procession with students proudly carrying the Indian flag, chanting patriotic slogans, and engaging in spirited performances that highlighted their respect for the country's symbols. This rally not only fostered a sense of community and national pride among the students but also underscored the NSS unit's role in promoting civic values and active citizenship. By participating in this event, students were able to express their patriotism and contribute to a meaningful celebration of the nation's heritage.

ELOCUTION ON WOMEN FREEDOM FIGHTERS

DATE : 13-08-2024

WOMEN EMPOWERMENT CELL

The Women Empowerment Cell of the college recently organized an impactful elocution event focused on the theme of women freedom fighters, aimed at educating and inspiring students. During this event, students delivered speeches highlighting the remarkable contributions and sacrifices of various women who played pivotal roles in the struggle for independence. The elocution provided a platform for students to delve into the lives and legacies of these influential figures, promoting a deeper understanding of their courage and resilience. This initiative not only celebrated the achievements of women freedom fighters but also fostered a sense of pride and empowerment among the students, emphasizing the importance of recognizing and honoring the role of women in shaping history. Through their presentations, students gained valuable insights into the historical context of women's contributions to the freedom movement, while also developing their public speaking and analytical skills.

NATIONAL WEBINAR ON NANO MATERIALS FOR SUSTAINABLE FUTURE

DATE : 29-08-2024

DEPARTMENTS OF PHYSICS AND COMPUTER SCIENCE

The Departments of Physics and Computer Science recently co-organized a national webinar titled "Nano Materials for a Sustainable Future," featuring Dr. G. Ramana, the Co-Founder of Nano Space Company, as the resource person. This insightful webinar focused on the transformative potential of nanomaterials in advancing sustainable technologies and addressing global challenges. Dr. Ramana, with his extensive expertise in nanotechnology, provided a comprehensive overview of how nanomaterials can be utilized to enhance energy efficiency, reduce environmental impact, and drive innovations across various industries.

Dr. Ramana's in-depth knowledge and practical insights. By bringing together experts from the fields of physics and computer science, the webinar highlighted the interdisciplinary nature of nanotechnology and its critical role in shaping a sustainable future.

In celebration of Independence Day, the Department of Physical Education organized a series of vibrant sports competitions that brought together students from across the college. These events were designed to foster school spirit, promote physical fitness, and honor the spirit of national pride. The competitions included a variety of sports such as athletics, football, and basketball, providing students with the opportunity to showcase their skills and engage in healthy, spirited competition. The festive atmosphere was enhanced by patriotic themes and decorations, creating a sense of unity and enthusiasm among participants and spectators alike. By aligning these sports activities with Independence Day, the department not only celebrated the nation's heritage but also encouraged students to embrace the values of teamwork, discipline, and resilience.

APPRECIATED HOCKEY YOUNG ASPIRANTS

DATE : 29-08-2024

DEPARTMENT OF PHYSICAL EDUCATION

The Physical Education Department recently organized a special program to celebrate and appreciate the young hockey aspirants who have shown exceptional promise and dedication in the sport. This event was designed to recognize the hard work, talent, and commitment of these emerging athletes who have demonstrated significant potential in hockey.

During the program, the department conducted a series of activities, including award presentations, motivational speeches, and skill showcases. Coaches, sports experts, and former hockey players shared their insights and experiences, providing valuable guidance and encouragement to the young aspirants. The event also featured demonstrations of advanced hockey techniques and strategies, offering the participants an opportunity to learn and improve their skills.

CONTRIBUTED TWO CEILING FANS

DATE : 08-08-2024

DONATIONS AND CONTRIBUTIONS

Dr. K. Sujatha, a respected member of the college faculty, recently made a generous contribution of two ceiling fans to the institution. This thoughtful donation is set to enhance the comfort and learning environment within the college, particularly during the warmer months when maintaining a cool and conducive atmosphere is crucial. The addition of these ceiling fans will significantly improve air circulation in key areas of the college, such as classrooms and common areas, ensuring a more pleasant and productive setting for both students and staff.

Dr. Sujatha's contribution reflects a commendable spirit of generosity and commitment to the well-being of the college community. By providing these essential amenities, she has demonstrated a proactive approach to addressing the practical needs of the institution, further enriching the academic and social experience for everyone involved. This gesture not only underscores her dedication to supporting the college but also serves as an inspiring example of how individual contributions can positively impact the collective environment. The college community deeply appreciates Dr. Sujatha's support, which will undoubtedly contribute to a more comfortable and engaging learning atmosphere.

EXTENSION SERVICE BY STUDENTS

DATE : 06-08-2024

Students of the college recently demonstrated their commitment to civic duty by actively participating in election duties, a role that underscored their dedication to the democratic process. Their involvement ranged from assisting with voter registration and verification to managing polling stations and ensuring the smooth conduct of the election procedures. This hands-on experience not only contributed to the efficient administration of the election but also provided the students with valuable insights into the workings of electoral processes and governance. Their active participation was a testament to their responsibility and engagement with societal functions, highlighting their role as active and informed citizens.

In recognition of their significant contributions, the students were awarded certificates and honorariums as tokens of appreciation for their services. These certificates not only acknowledged their hard work and dedication but also served as a formal record of their involvement in a crucial civic function. The honorarium provided an additional layer of recognition, compensating them for their time and efforts.

STUDENTS DESIGNED NEWSLETTER

DATE : 31-08-2024

DEPARTMENT OF COMPUTER SCIENCE

Students from the Department of Computer Science have showcased their creative and technical skills by designing the college's monthly newsletter. Pavani and Bhagyasri, both second-year B.Sc. students, along with Pavan from the final year B.Sc., collaborated on this project, demonstrating their proficiency in design and communication. Under the expert guidance of Sri D. Sai Charan, a Lecturer in Computer Science, they undertook the task of conceptualizing and producing the newsletter.

Sri D. Sai Charan's mentorship was instrumental in guiding the students through the complexities of the design process, from initial drafts to the final publication. The successful completion of this project reflects the students' dedication and creativity, as well as the supportive educational environment fostered by the Department of Computer Science. Their efforts have resulted in a well-crafted newsletter that serves as a valuable resource for the college community.
