STUDENTS WENT FOR INTERNSHIP

Students went for an internship to Nellore Sri City, where they gained valuable industry experience and practical exposure. The internship provided them with an opportunity to apply their academic knowledge in real-world settings, enhancing their skills and understanding of various professional environments. Located in the industrial hub of Sri City, the students interacted with industry experts, participated in hands-on projects, and learned about the operations and management of businesses in diverse sectors. This experience not only contributed to their personal and professional growth but also helped them build industry connections for future career opportunities.

STAFF MEETING

A staff meeting was held at the Principal's Chamber to discuss various academic and autonomous matters. During the meeting, important topics related to the academic curriculum, teaching strategies, and student performance were reviewed. The staff also deliberated on matters concerning the autonomy of the college, including the implementation of new academic policies, examination protocols, and administrative procedures. The discussion aimed to ensure a cohesive approach to enhancing the quality of education, improving administrative functions, and addressing any challenges faced by both faculty and students. The meeting served as a productive platform for collaboration and decision-making.

FACULTY ATTENDED SWARNANDHRA VISION-2047

Faculty members of the college attended the *Swarnandhra Vision-2047* event, which focused on envisioning the future of the region in alignment with the goals of India's growth and development by 2047, the centenary year of India's independence. The event brought together educational leaders, experts, and policy makers to discuss strategies and initiatives that can contribute to the region's progress in various sectors, including education, technology, and infrastructure. The faculty gained valuable insights from the discussions and deliberations, which will help shape the educational landscape of the college and empower students to contribute to the nation's vision for a prosperous future.

STUDENTS VIRTUALLY ATTENDED SWARNANDHRA VISION-2047

Students virtually attended the Swarnandhra Vision-2047 program at the Seminar Hall through a live stream. The event, aimed at discussing the future growth and development of the region, provided an insightful platform for students to engage with the vision of a progressive India by 2047. Through the live stream, they had the opportunity to witness key speakers and experts share their thoughts on various aspects of socio-economic, technological, and educational advancements. The virtual participation allowed students to be a part of this important initiative, gaining valuable knowledge on how they can contribute to shaping a brighter future for the nation.

THESIS PRESENTATION

Dr. V. Chitti Babu, Lecturer in Commerce, presented his Ph.D. thesis, showcasing the culmination of his extensive research and academic dedication. His thesis focused on a significant area of commerce, offering valuable insights and contributing to the existing body of knowledge in the field. This milestone not only reflects his scholarly expertise but also serves as an inspiration for students and colleagues, highlighting the importance of perseverance and commitment in achieving academic excellence.

FACULTY AWARDED DOCTORATE

Dr. V. Chitti Babu, Lecturer in Commerce, has been awarded a doctorate, marking a significant achievement in his academic career. His dedication to research and scholarly work has earned him this prestigious recognition. The doctorate reflects his expertise in the field of commerce and his commitment to advancing knowledge through rigorous academic inquiry. This accomplishment not only highlights his personal growth but also adds to the academic excellence of the department. Dr. V. Chitti Babu's achievement serves as an inspiration to colleagues and students alike, motivating them to pursue their academic and professional aspirations with determination.

FACULTY RECEIVED AWARD

Sri R. Rama Rao, Lecturer in Commerce, was honored with the prestigious Mahatma Gandhi International Icon Award by the Welred Foundations in recognition of his invaluable contributions to the field of teaching. This award highlights his dedication, commitment, and excellence in shaping the lives of students through quality education. His efforts to foster academic growth and inspire learners have set a benchmark in the teaching profession, making him a deserving recipient of this esteemed accolade.

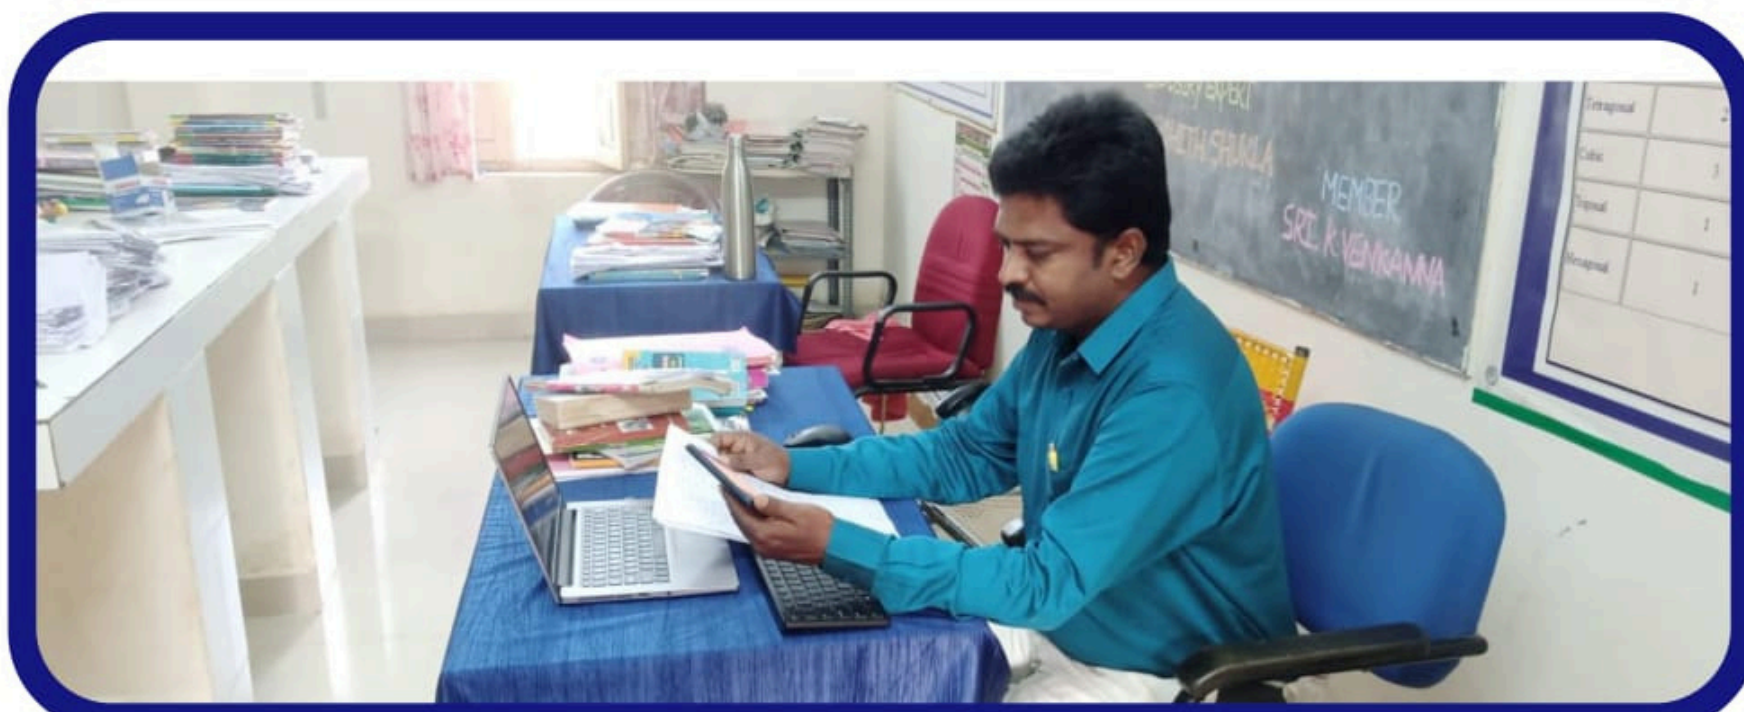

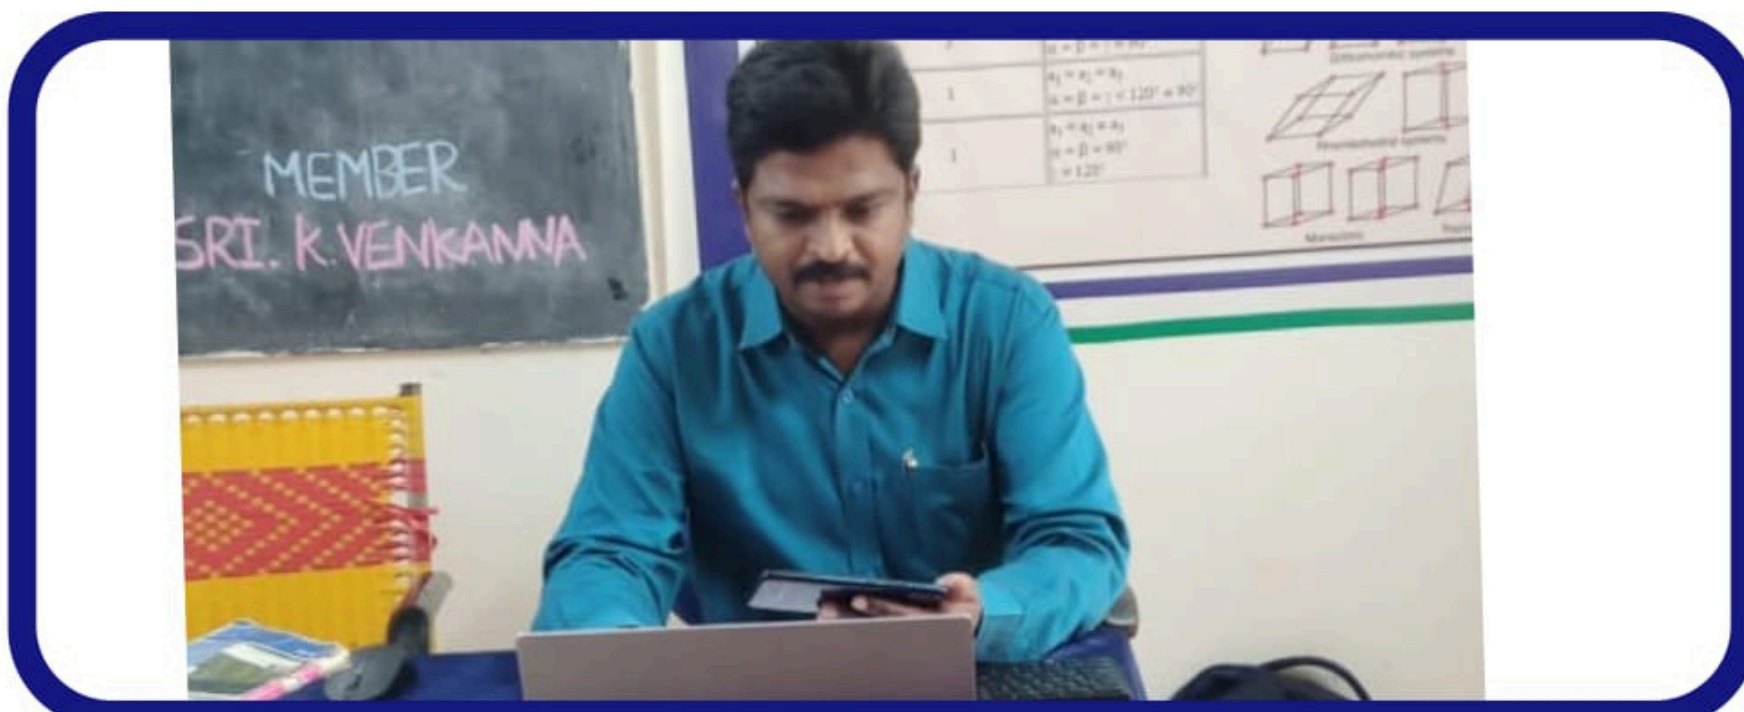

STUDENT EXCELLED IN SPORTS COMPETITION

The student excelled in the Yonex Sunrise Nepal International Challenge, securing third place in the Men's Doubles category. This remarkable achievement highlights the student's dedication, skill, and sportsmanship in the field of badminton. Competing at an international level, the student showcased excellent teamwork, strategy, and technique, bringing pride to the institution. Their success in such a prestigious competition reflects their commitment to excellence in sports and serves as an inspiration for others to pursue their athletic goals with determination and perseverance.

RESEARCH PAPER PRESENTATION

Sri K. Venkanna, Lecturer in Physics, presented a research paper showcasing his scholarly contributions to the field. His presentation demonstrated in-depth knowledge and innovative findings, reflecting his dedication to advancing scientific understanding. The research paper not only highlighted his expertise but also emphasized the importance of continuous exploration and study in physics, inspiring both peers and students. This achievement underscores his commitment to academic excellence and research-driven learning.

Sri K. Venkanna, Lecturer in Physics, presented a research paper on the topic "Structural, Magnetic, and Thermal Properties." His work delved into the intricate relationships between these properties in various materials, providing valuable insights into their applications in advanced scientific and industrial fields. The presentation highlighted innovative methodologies, detailed analyses, and significant findings, reflecting his expertise and dedication to advancing knowledge in the domain of physics. This contribution underscores the importance of research in driving progress and inspiring further exploration in material science.

RESEARCH PAPER PRESENTATION

Sri K. Venkanna, Lecturer in Physics, presented a research paper on the topic "Global Perspectives on Science and Ethics" at a prestigious academic conference. His paper explored the intersection of scientific advancements and ethical considerations in a global context. Through his insightful analysis, he addressed the importance of responsible scientific practices, the ethical implications of emerging technologies, and the role of science in contributing to societal well-being. His presentation highlighted the need for a balanced approach to innovation, emphasizing the significance of ethical frameworks in shaping the future of scientific research and its impact on humanity.

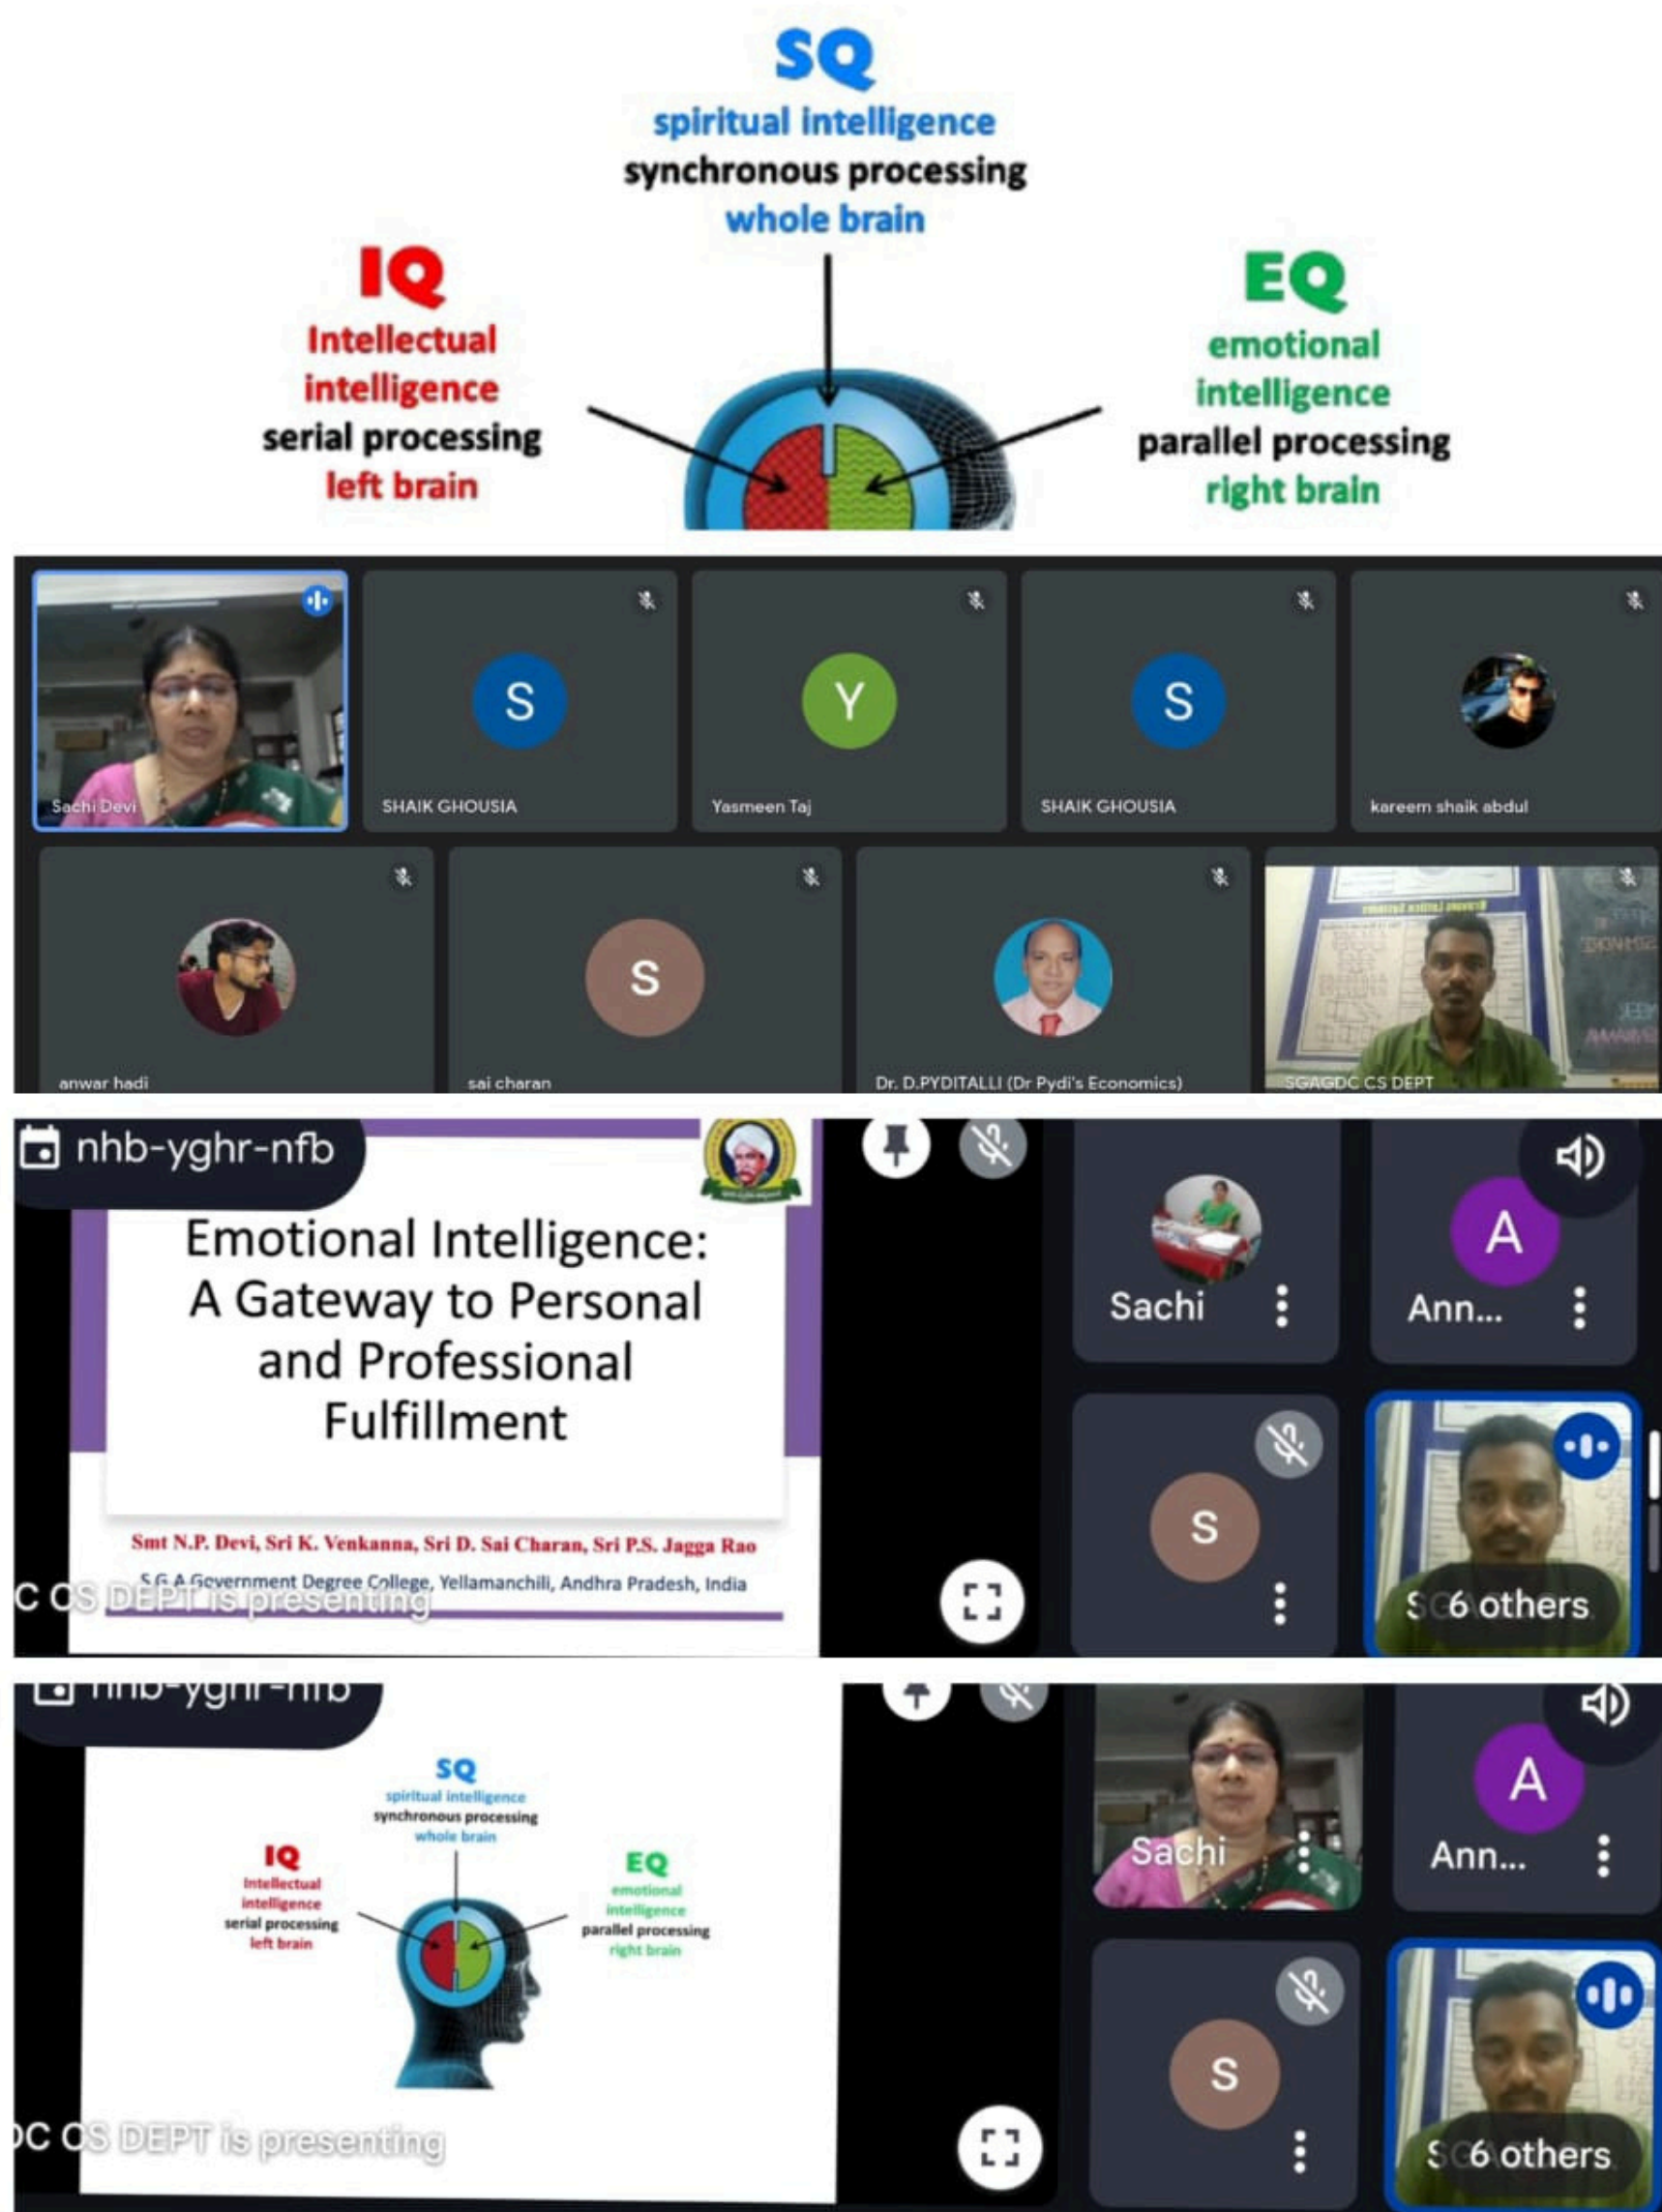

RESEARCH WORK AT NIT TADEPALLIGUDEM

Sri K. Venkanna, Lecturer in Physics, attended the National Institute of Technology (NIT) Tadepalligudem for his research work. During his visit, he engaged in advanced research activities, collaborating with experts and accessing the institute's state-of-the-art facilities. This opportunity allowed him to expand his knowledge in the field of physics, conduct in-depth studies, and further his academic and professional development. His participation in research at a prestigious institution like NIT Tadepalligudem will likely contribute to his ongoing work and enhance his contributions to the field of physics.

RESEARCH PAPER PRESENTATION

Faculty members from the Departments of Computer Science and Physics collaborated to present a research paper on the topic of Emotional Intelligence. Their joint presentation explored the significance of emotional intelligence (EI) in both academic and professional settings, focusing on its impact on decision-making, interpersonal relationships, and overall well-being. The paper delved into how emotional intelligence contributes to effective communication, leadership, and teamwork, and how it can be developed through various strategies. By combining perspectives from both fields, the research offered a comprehensive understanding of EI's role in enhancing cognitive and emotional development, highlighting its relevance in the modern educational and work environments.

FACULTY INVITED TO PARTICIPATE IN ONLINE SHORT TERM COURSE BY UGC MMTTC

Sri M. Kishore, Lecturer in Commerce, was invited to participate in an online short-term course organized by the UGC MMTTC on the topic of "Stress Management and Well-being." The course aimed at equipping participants with essential techniques and strategies to manage stress effectively and promote overall well-being. Through this opportunity, Sri M. Kishore gained valuable insights into mental health practices, stress-reduction methods, and the importance of maintaining a balanced lifestyle. The knowledge gained from the course will not only benefit him personally but will also help in fostering a positive and healthy environment for both students and colleagues.

PARTICIPATED IN NEP 2020 ORIENTATION & SENSITIZATION PROGRAM

Sri R. Rama Rao, Lecturer in Commerce, participated in the NEP 2020 Orientation and Sensitization Program organized by the UGC MMTTC. The program aimed at familiarizing educators with the key aspects of the National Education Policy (NEP) 2020, focusing on its objectives, vision, and strategies for transforming the Indian education system. Through this session, Sri R. Rama Rao gained insights into the policy's emphasis on holistic education, skill development, and the promotion of interdisciplinary learning. His participation in this program enabled him to stay informed about the latest educational reforms, which he can incorporate into his teaching practices to better align with the evolving educational landscape.

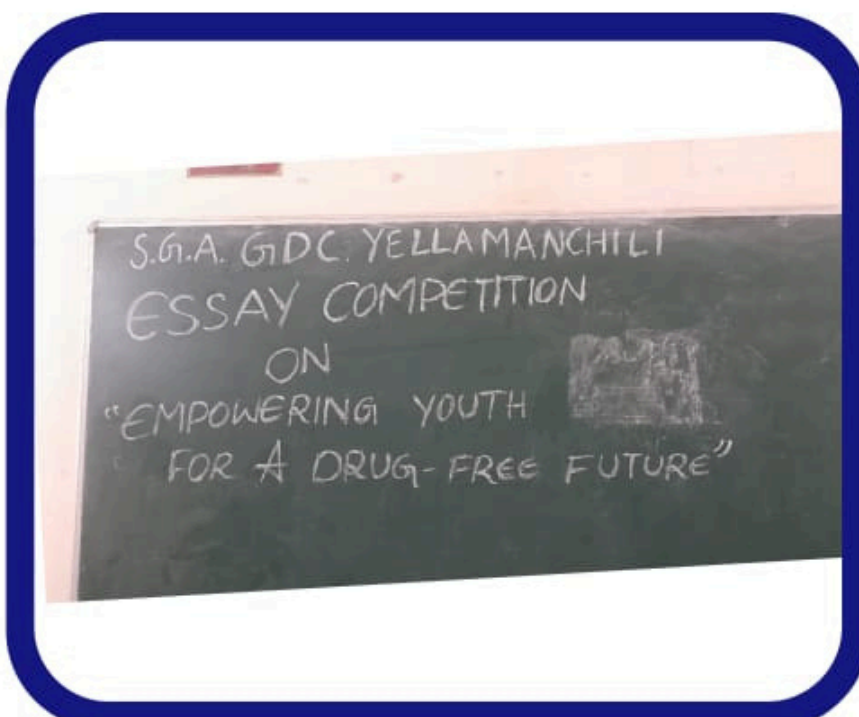

ONE WEEK JOB ORIENTED TRAINING

The college organized a one-week job-oriented training program for M.Sc. students in collaboration with the Magic Bus organization. This training aimed at enhancing the employability skills of students by equipping them with practical knowledge and hands-on experience in areas such as communication, leadership, team-building, and problem-solving. Experts from Magic Bus conducted interactive sessions, focusing on career development, soft skills, and the essential competencies required to thrive in the job market. The program provided valuable insights into career opportunities and strategies for personal growth, ensuring that students were well-prepared to face the challenges of the professional world.

ESSAY COMPETITION BY NSS

The NSS conducted an essay competition on the topic "Empowering Youth for a Drug-Free Society," aimed at raising awareness about the harmful effects of drug abuse and promoting a healthier, more responsible lifestyle among the youth. Students were encouraged to express their views on how empowering the younger generation through education, awareness, and support systems can play a crucial role in creating a drug-free society. The competition provided a platform for students to share their ideas on prevention strategies, the importance of community involvement, and the need for stronger social and mental health initiatives. The event highlighted the significant role of youth in shaping a positive future free from the dangers of substance abuse.

CONGRATULATED WINNERS

The Red Ribbon Club of the college congratulated the winners of various activities held on the occasion of World AIDS Day, including the Rangoli competition, Poster Presentation competition, and Elocution competition. These activities aimed to raise awareness about HIV/AIDS and promote a sense of responsibility and empathy among students. The participants showcased their creativity, knowledge, and public speaking skills, contributing to the success of the event. The winners were recognized for their outstanding performances, and the college commended their efforts in spreading awareness and fostering meaningful discussions on this important global health issue.

FIELD TRIP

A field trip was conducted for students by the Departments of Economics and History, providing them with an opportunity to gain practical insights and first-hand experience related to their academic subjects. The trip included visits to historical sites and economic landmarks, where students could observe the real-world application of concepts learned in the classroom. Faculty members guided the students through the significance of the locations, linking historical events with their economic impacts. This enriching experience allowed students to connect theoretical knowledge with practical observations, deepening their understanding of both history and economics.

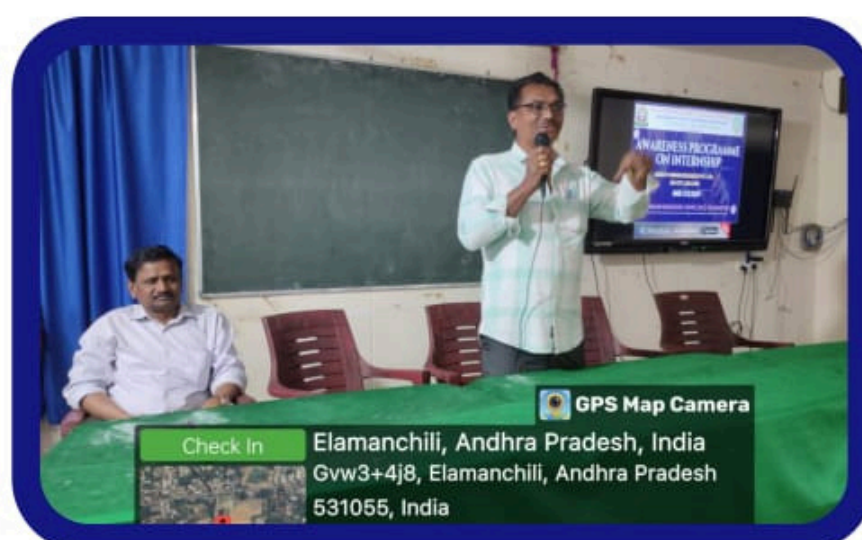

CSP PROJECTS SUBMITTED BY STUDENTS

Students of the Botany department submitted their Community Service Project work to the faculty. The projects showcased their efforts to apply botanical knowledge to benefit the community, addressing environmental issues, promoting sustainable practices, or raising awareness about local flora and conservation. The submissions demonstrated the students' creativity, research skills, and commitment to social responsibility. The faculty reviewed the projects, providing feedback and guidance to further enhance the students' understanding and impact on the community. This initiative not only enriched their academic experience but also fostered a sense of civic responsibility and environmental stewardship.

AWARENESS PROGRAM ON LONG TERM INTERNSHIP

The college conducted an awareness program on long-term internships for students in collaboration with Geekay Human Resource Pvt. Limited. The session aimed to highlight the significance of long-term internships in enhancing professional skills, gaining industry experience, and improving employability. Representatives from Geekay Human Resource Pvt. Limited provided valuable insights into the benefits of internships, including the opportunity to build a strong professional network and gain a deeper understanding of workplace dynamics. The program encouraged students to explore long-term internship opportunities as a pathway to personal and career development, preparing them for successful transitions into the workforce.

AWARENESS ON LONG TERM INTERNSHIP

In collaboration with CMS Labs, the college conducted an awareness program on long-term internships, aimed at providing students with valuable insights into the benefits and opportunities of engaging in extended professional experiences. The program highlighted how long-term internships can enhance skill development, build industry connections, and offer practical exposure to real-world challenges. Representatives from CMS Labs shared information on various internship opportunities available across different fields, helping students understand the application process, expectations, and the advantages of participating in such programs. The session encouraged students to consider internships as a stepping stone for their careers and emphasized their role in bridging the gap between academic knowledge and professional expertise.

Prepared by
I & III B.SC Students

Guided by
Sri D.Sai Charan M.Sc,NET
Lecturer in Computer Science

19-12-2024

AWARENESS ON LONG TERM INTERNSHIP

The Department of Botany created awareness among students about the benefits and opportunities of long-term internships. The session highlighted how internships provide valuable hands-on experience, allowing students to apply theoretical knowledge in real-world settings. It emphasized the significance of gaining practical skills, enhancing employability, and networking with professionals in the field of botany. By encouraging students to explore various internship programs, the department aimed to inspire them to take proactive steps toward building their careers and making meaningful contributions to the field of plant sciences.

AWARENESS ON LONG TERM INTERNSHIP

The Department of Commerce created awareness among students about the benefits and opportunities of long-term internships. Through informative sessions, they highlighted how internships can provide valuable hands-on experience, enhance skill development, and increase employability. The department emphasized the importance of gaining practical exposure to real-world business scenarios, allowing students to apply their academic knowledge while building professional networks. By encouraging participation in long-term internships, the department aimed to equip students with the necessary tools for career success and prepare them for the competitive job market.

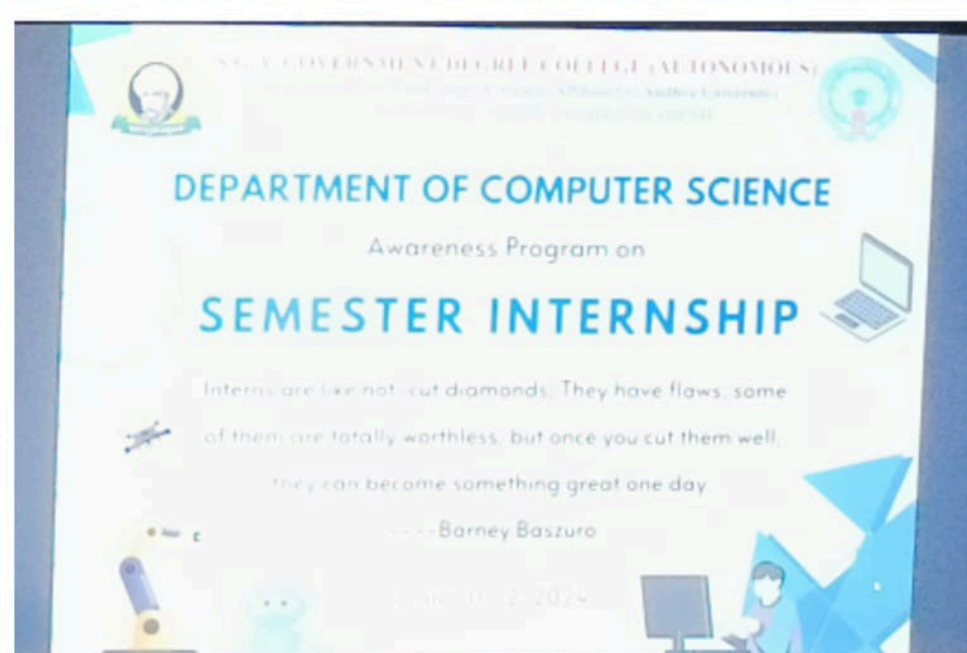

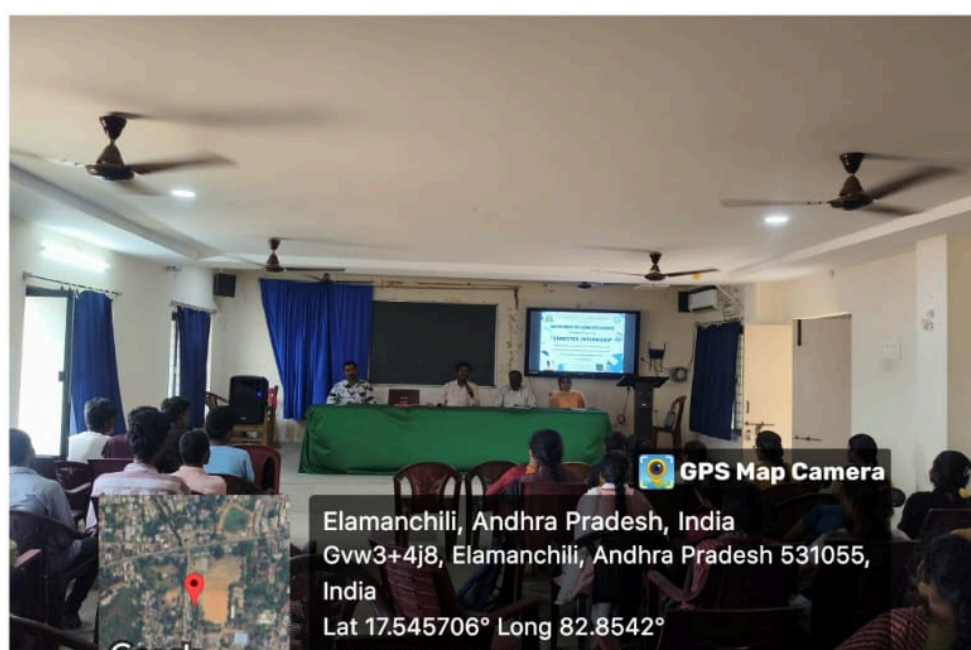

S.G.A. GOVERNMENT DEGREE COLLEGE

(Re-accredited by NAAC with 'A' Grade, Affiliated to Andhra University)

YELLAMANCHILI - 531055, ANDHRA PRADESH

AWARENESS ON LONG TERM INTERNSHIP

The Departments of Computer Science, Physics, and Hindi collaborated to create awareness among students about the benefits and opportunities of long-term internships. Through a series of informative sessions, they highlighted how internships can enhance practical skills, provide real-world experience, and improve employability prospects. Students were guided on how to apply for internships, the types of industries and sectors offering them, and the valuable insights they can gain through hands-on experience. This initiative aimed to encourage students to explore internships as a stepping stone towards building successful careers.

AWARENESS ON LONG TERM INTERNSHIP

The Department of History organized a session to create awareness among students about the benefits and opportunities of long-term internships. The session aimed to highlight how internships can enhance practical knowledge, provide valuable hands-on experience, and offer insights into potential career paths in the field of history. Faculty members discussed various internships available in historical research, museums, archives, and cultural heritage organizations. By emphasizing the importance of gaining real-world experience, the department encouraged students to explore long-term internships as a means to broaden their academic horizons and boost their professional prospects.

AWARENESS ON LONG TERM INTERNSHIP

The Departments of English, Telugu, and Chemistry collaboratively organized an awareness session for students on the opportunities and benefits of long-term internships. The session aimed to highlight the importance of internships in gaining practical experience, developing professional skills, and enhancing employability. Faculty members from each department shared valuable insights into how internships can complement academic learning and open doors to diverse career paths. The event encouraged students to consider long-term internships as a stepping stone towards building a successful future and gaining exposure to real-world applications of their field of study.

ELOCUTION COMPETITION

The Red Ribbon Club of the college organized an Elocution Competition to mark the occasion of International AIDS Day. The event aimed to create awareness among students about HIV/AIDS, emphasizing the importance of prevention, treatment, and eradicating the stigma associated with the disease. Participants passionately expressed their views, shared insightful ideas, and highlighted the need for compassion and education to combat this global challenge. The competition served as an excellent platform to encourage youth to engage in meaningful discussions and become proactive in spreading awareness about this critical issue.

POSTER PRESENTATION COMPETITION

The Red Ribbon Club of our college organized a poster presentation competition to mark the occasion of International AIDS Day. This event aimed to raise awareness about HIV/AIDS, its prevention, and the importance of eliminating stigma associated with the condition. Students actively participated, showcasing their creativity and knowledge through impactful posters that highlighted the significance of safe practices, early detection, and the need for compassion toward those affected. The competition not only fostered awareness but also encouraged dialogue and education, emphasizing the collective responsibility in combating this global health challenge.

AWARENESS ON NAYI CHETNA 2.0

The Departments of Economics, Commerce, and English jointly created awareness about Nayi Chetna 2.0, a program aimed at promoting social and economic empowerment. The initiative focused on fostering progressive thinking, financial literacy, and entrepreneurial skills among students. Through a series of interactive sessions and discussions, faculty members emphasized the importance of innovation, self-reliance, and active participation in nation-building. Nayi Chetna 2.0 encouraged students to adopt new ideas and approaches for personal and community development, aligning with the vision of a more informed and empowered society. The program helped instill a sense of responsibility and social awareness, motivating students to contribute to the larger goal of societal progress.

BIRTH ANNIVERSARY OF JOHN MILTON

DEPARTMENT OF ENGLISH
ACTIVITIES REPORT-2024-2025

ACTIVITY NO: 9

Name of the Activity : "BIRTH ANNIVERSARY OF JOHN MILTON"

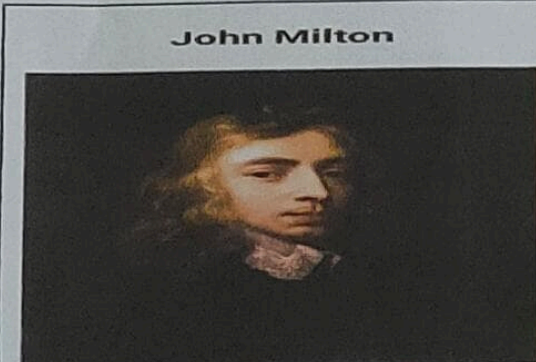

Conducted by : Department of English

Lecturers : K.Prema Sagar ,KVN Aishwarya

Date&Time : 09-12-2024,at 11:40 am,Seminar Hall.

No.Students Participated : 80

Photographs of The activity :

The Department of English observed the birth anniversary of the renowned poet John Milton with a special event dedicated to his life and literary contributions. The occasion included discussions on his most famous works, such as **Paradise Lost**, and his impact on literature, philosophy, and political thought. Faculty members and students engaged in insightful lectures and readings, exploring Milton's themes of liberty, human nature, and divine justice. The event served as a reminder of Milton's lasting legacy in the literary world and provided an opportunity for students to deepen their appreciation for his works and their relevance in contemporary discourse.

BIRTH ANNIVERSARY OF EMILY DICKINSON

DEPARTMENT OF ENGLISH
ACTIVITIES REPORT-2024-2025

ACTIVITY NO: 10

Name of the Activity : "BIRTH ANNIVERSARY OF EMILY DICKINSON"

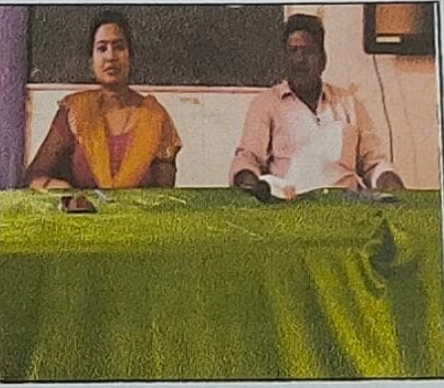

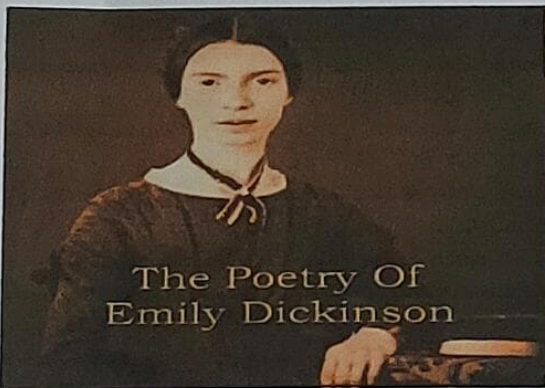

Conducted by : Department of English

Lecturers : K.Prema Sagar ,KVN Aishwarya

Date&Time : 10-12-2024,at 1:30 pm,Seminar Hall.

No.Students Participated : 70

Photographs of The activity :

The Department of English observed the birth anniversary of Emily Dickinson, one of the most renowned American poets. The event included various activities such as lectures, discussions, and readings of her iconic poems. Students and faculty members came together to celebrate Dickinson's contributions to literature, highlighting her unique poetic style, themes of nature, death, immortality, and the inner self. The observation not only honored her literary legacy but also encouraged a deeper appreciation of her work, sparking meaningful conversations on her influence in the world of poetry.

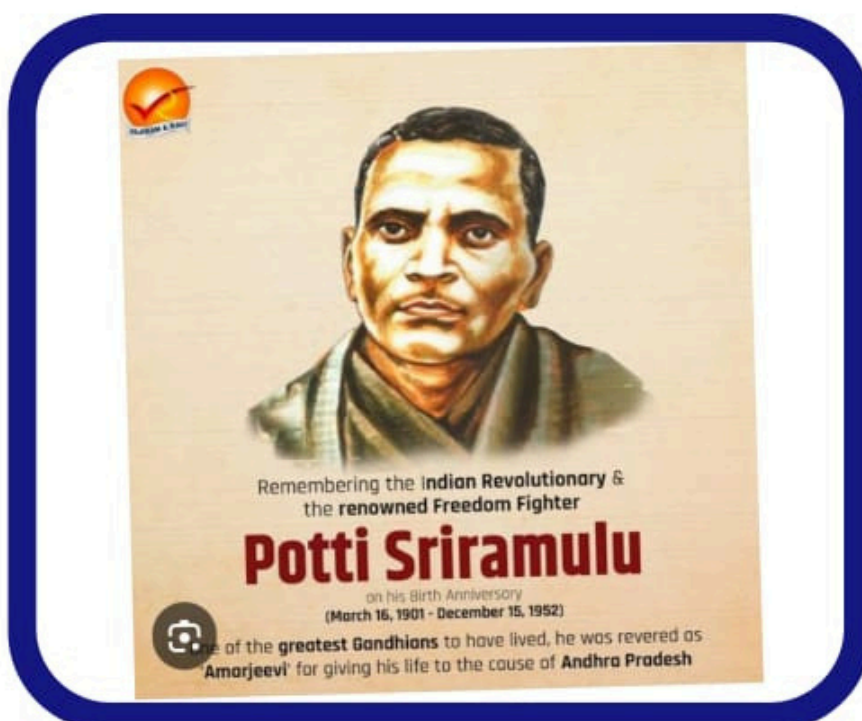

BIRTH ANNIVERSARY OF JANE AUSTEN

DEPARTMENT OF ENGLISH	
ACTIVITIES REPORT-2024-2025	
ACTIVITY NO: 10	
Name of the Activity :	"BIRTH ANNIVERSARY OF JANE AUSTEN"
Conducted by :	Department of English
Lecturers :	K.Prema Sagar ,KVN Aishwarya
Date&Time :	16-12-2024,at 2:30 pm,Seminar Hall.
No.Students Participated :	65
Photographs of The activity :	

The Department of English observed the birth anniversary of Jane Austen, celebrating the literary legacy of one of the most influential authors in English literature. The event included discussions on her iconic works such as **Pride and Prejudice**, **Sense and Sensibility**, and **Emma**, which continue to captivate readers with their sharp social commentary, wit, and exploration of human relationships. Faculty members and students reflected on Austen's impact on the literary world, highlighting her innovative writing style, strong female protagonists, and timeless themes. The observance aimed to inspire students to explore her works and appreciate her contribution to both literature and societal thought.

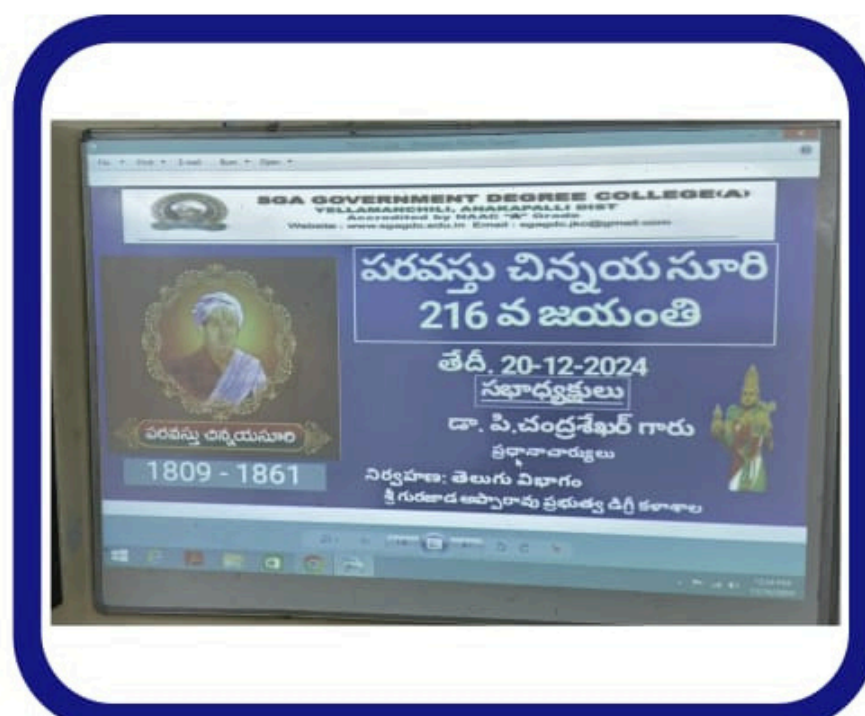

DEATH ANNIVERSARY OF POTTI SRIRAMULU

The Department of Telugu observed the death anniversary of Potti Sriramulu, a revered leader who played a pivotal role in the formation of the Andhra Pradesh state. The event was marked by tributes and discussions on his unwavering commitment to the cause of linguistic identity and his selfless sacrifice for the Telugu-speaking people. Faculty members and students reflected on his legacy, emphasizing his dedication to social justice, language rights, and the importance of cultural preservation. The observance not only honored his memory but also inspired students to uphold the values of unity, perseverance, and selfless service in their own lives.

BIRTH ANNIVERSARY OF P.CHINNAYA SURI

The Department of Telugu observed the birth anniversary of P. Chinnaya Suri, a prominent figure in Telugu literature. The event was dedicated to celebrating his contributions to the literary world, especially his works that highlighted social issues and human values. Faculty members and students participated in discussions about his literary legacy, exploring the themes of his writings and their relevance in contemporary society. Through this observance, the department paid tribute to P. Chinnaya Suri's lasting impact on Telugu literature and inspired students to appreciate and continue his work in promoting social awareness through literature.

ANTARRASHTREEYA MAANAV EKTA DIWAS

Department of Hindi celebrated an Antarraashtreey Maanav Ekta
Diwas

On 20-12-2024.

Photographs of The activity:

A Brief note on the Activity:

Department of Hindi celebrated an Antarraashtreey Maanav Ekta Diwas on 20-12-2024. It is a day to celebrate unity in diversity, raise awareness of the importance of solidarity, and encourage debate on how to promote solidarity. For this celebration 85 students were attended.

The Department of Hindi celebrated Antarrashtriya Maanav Ekta Diwas (International Human Unity Day) to promote the values of unity, peace, and harmony among individuals across the globe. The event aimed to emphasize the importance of human unity in the face of diversity, encouraging students to foster a sense of mutual respect and understanding. Through speeches, discussions, and cultural programs, the department highlighted the need for global cooperation and the role of every individual in building a unified world. The celebration inspired students to embrace unity in diversity and contribute to a more inclusive and compassionate society.

WORLD COMPUTER LITERACY DAY

The Department of Computer Science celebrated World Computer Literacy Day with great enthusiasm to emphasize the importance of digital skills in today's technology-driven world. The event featured various activities, including workshops, interactive sessions, and demonstrations, aimed at spreading awareness about the significance of computer literacy. Students and faculty actively participated, sharing insights on the latest technological advancements and the role of computer education in empowering individuals. The celebration underscored the department's commitment to fostering digital awareness and equipping participants with essential skills for the modern era.

SEMINAR SESSIONS TO STUDENTS

The Department of Computer Science conducted seminar sessions for students on the occasion of World Computer Literacy Day. These sessions aimed to emphasize the importance of computer literacy in today's digital age and equip students with essential knowledge and skills. Expert speakers and faculty members delivered insightful presentations on topics ranging from basic computer operations to advanced technologies, fostering a deeper understanding of the role of computers in education, careers, and everyday life. The event served as an engaging platform for students to enhance their technological proficiency and awareness of global trends in computing.

FIRST SEM UG EXAMS HALL TICKETS DISTRIBUTED

The hall tickets for the First Semester UG exams were distributed by faculty members from various departments. This event marked an important step in preparing students for their upcoming exams. Faculty members ensured that each student received their hall ticket, providing them with the necessary information regarding the examination schedule and venue. The distribution ceremony also served as a reminder to students to stay focused and dedicated in their studies as they approach this academic milestone. The faculty's involvement in this process further emphasized the support and guidance available to students during their exam preparations.

EXTENSION SERVICE

Sri P.S. Jaggarao, Lecturer in Physics, extended his valuable service by delivering a motivational lecture to students of a nearby government school. His session focused on various career opportunities available in diverse fields, inspiring the young minds to explore their potential and set ambitious goals. Through his insightful guidance, he encouraged students to pursue their interests, highlighting the importance of education, skill development, and perseverance in achieving success. The lecture not only broadened the students' perspectives but also instilled confidence and enthusiasm to aspire for a brighter future.
