New Year Celebrations

NATIONAL VOTERS DAY

The college celebrated National Voters' Day under the initiation of the NSS Unit, emphasizing the importance of voting and democratic participation. The event aimed to create awareness among students about their rights and responsibilities as voters. Faculty members and NSS volunteers actively participated in the program, which included a pledge-taking ceremony, speeches on electoral awareness, and discussions on the significance of voting in a democracy. Students were encouraged to register as voters and exercise their franchise responsibly. The event highlighted the role of youth in strengthening the democratic process. The college appreciated the efforts of the NSS Unit in organizing the program successfully and promoting civic engagement among students.

REPUBLIC DAY CELEBRATIONS

The college celebrated Republic Day with great enthusiasm, honoring the spirit of democracy and patriotism. The event began with the hoisting of the national flag by the Principal, followed by the singing of the national anthem. Faculty members, students, and staff gathered to commemorate the day with inspiring speeches on the significance of the Indian Constitution and the values of justice, liberty, equality, and fraternity. Cultural performances, including patriotic songs, dance, and skits, added to the festive spirit. An essay writing competition and a quiz on the Indian Constitution were also conducted as part of the celebrations. The event concluded with a pledge to uphold the principles of democracy and contribute to the nation's progress. The college management appreciated the efforts of everyone involved in making the celebrations a success.

వైఎస్సార్‌సీపీ ప్రభుత్వ హయాంలో గుర్తింపు

గత వైఎస్సార్‌సీపీ ప్రభుత్వ హయాంలో ఈ కళాశాలకు రూ.2 కోట్ల రూపా నిధులు మంజూరయ్యాయి. ఈ నిధులతో కళాశాలలో అదనపు తరగతి గదులు, ప్రయోగశాలలు, ఆత్మాధునిక సదుపాయాలు కల్పించి అభివృద్ధి చేశారు. విద్యార్థులు సాధించిన ఫలితాలు, అన్ని మూలిక సదుపాయాలు ఉండడంతో కళాశాలకు న్యూక్ ఏ గ్రేడ్ వచ్చింది. ఆ తర్వాత దశల వారీగా అటానమస్ హోదా కోసం కళాశాల అధికారులు యూనివర్సిటీ గ్రాంట్స్ కమిషన్(యూజీసీ)కు దరఖాస్తు చేశారు. పరిశీలన జరిపిన యూజీసీ ఈ కళాశాలకు పదేళ్లు స్వయం ప్రతిపత్తి హోదా కల్పించింది. ఇందుకు సంబంధించిన ఉత్తర్వులు కూడా గత ప్రభుత్వ హయాంలోనే 2023 నవంబరు 13న విడుదలయ్యాయి. దీని ప్రకారం 2024-25 విద్యా సంవత్సరం నుంచి 2033-34 వరకూ కళాశాలకు అటానమస్ స్టేటస్ కొనసాగనుంది. కళాశాలకు న్యూక్ ఏ గ్రేడ్ కూడా గత వైఎస్సార్‌సీపీ ప్రభుత్వ హయాంలో 2023 మే నెలలో దక్కింది.

క్యాలెండర్ అమలు కానున్నాయి. అనకాపల్లి జిల్లాలో యలమంచిలి ప్రభుత్వ డిగ్రీ కళాశాలకు మాత్రమే స్వయం ప్రతిపత్తి హోదా లభించింది. సంప్రదాయ కొర్రులతో పాటు స్థానిక అవసరాలకు తగినట్లుగా వైపుజ్యాభివృద్ధి, ఇతర సర్టిఫికేట్ కోర్సులు ప్రవేశపెట్టి అవకాశం కూడా ఉంటుంది. దీంతో భవిష్యత్తులో ఈ కళాశాల మినీ విశ్వవిద్యాలయంగా అభివృద్ధి చెందనుంది. అయితే అటానమస్ హోదా నిలుపుకొనేందుకు కళాశాల అధికారులు తీవ్రంగా కష్టపడాల్సి ఉంటుంది. యూజీసీ నిబంధనల మేరకు నిర్దేశించిన ప్రమాణాలు పాటాల్సిన బాధ్యత ఉంటుంది.

The institution has completed preparations for conducting examinations under the autonomous system for the first semester, utilizing its newly established examination cell. This dedicated cell will oversee all exam-related processes, including question paper setting, evaluation, and result declaration, ensuring smooth and efficient operations while maintaining academic integrity and transparency.

The college has successfully prepared for conducting examinations under the autonomous system for the first semester, utilizing its newly established examination cell. This dedicated cell has been set up to manage all examination-related activities, including question paper preparation, exam scheduling, invigilation, evaluation, and result processing. With a structured framework in place, the institution aims to ensure a fair, transparent, and efficient examination process. The introduction of this system allows for greater flexibility in academic assessments, aligning with the institution's goal of maintaining high academic standards. Strict protocols have been implemented to prevent malpractices and ensure smooth conduct of exams. Faculty members and staff have been actively involved in organizing and overseeing the examinations, ensuring that students experience a seamless process. The students have been informed about the guidelines, rules, and schedules well in advance to help them prepare effectively. With the exams now underway, initial feedback suggests that the process is running smoothly, reflecting the institution's commitment to academic excellence. The autonomous examination system provides the college with greater control over its academic evaluation, allowing for improvements based on student performance and feedback. This milestone marks a significant step in the college's journey towards academic independence and quality education.

ADMISSION CAMPAIGN

The college conducted an admission campaign where faculty members visited various junior colleges in the town to create awareness about academic programs, facilities, and career opportunities. The campaign aimed to provide students with detailed information about the courses offered, admission procedures, and the benefits of higher education. Faculty members interacted with prospective students, addressing their queries and guiding them on selecting suitable career paths. The initiative helped bridge the gap between junior and degree colleges, encouraging students to make informed academic choices.

Attended Meeting at CCE

Dr. P. Chandra Sekhar, the Principal, and Dr. Y. Poli Reddy, the Physical Education Director, attended the CCE meeting held in Vijayawada. The meeting focused on key educational policies, curriculum updates, and assessment strategies. Experts from various institutions shared insights on enhancing the quality of education. Discussions also covered advancements in physical education and student development programs. Dr. Chandra Sekhar and Dr. Poli Reddy actively participated in deliberations and exchanged ideas with fellow academicians. The event provided valuable perspectives on modern teaching methodologies and evaluation techniques. It served as a platform for networking with education leaders from across the region. Their participation reflects the institution's commitment to academic and holistic student growth. The meeting concluded with actionable recommendations for implementing innovative educational practices.

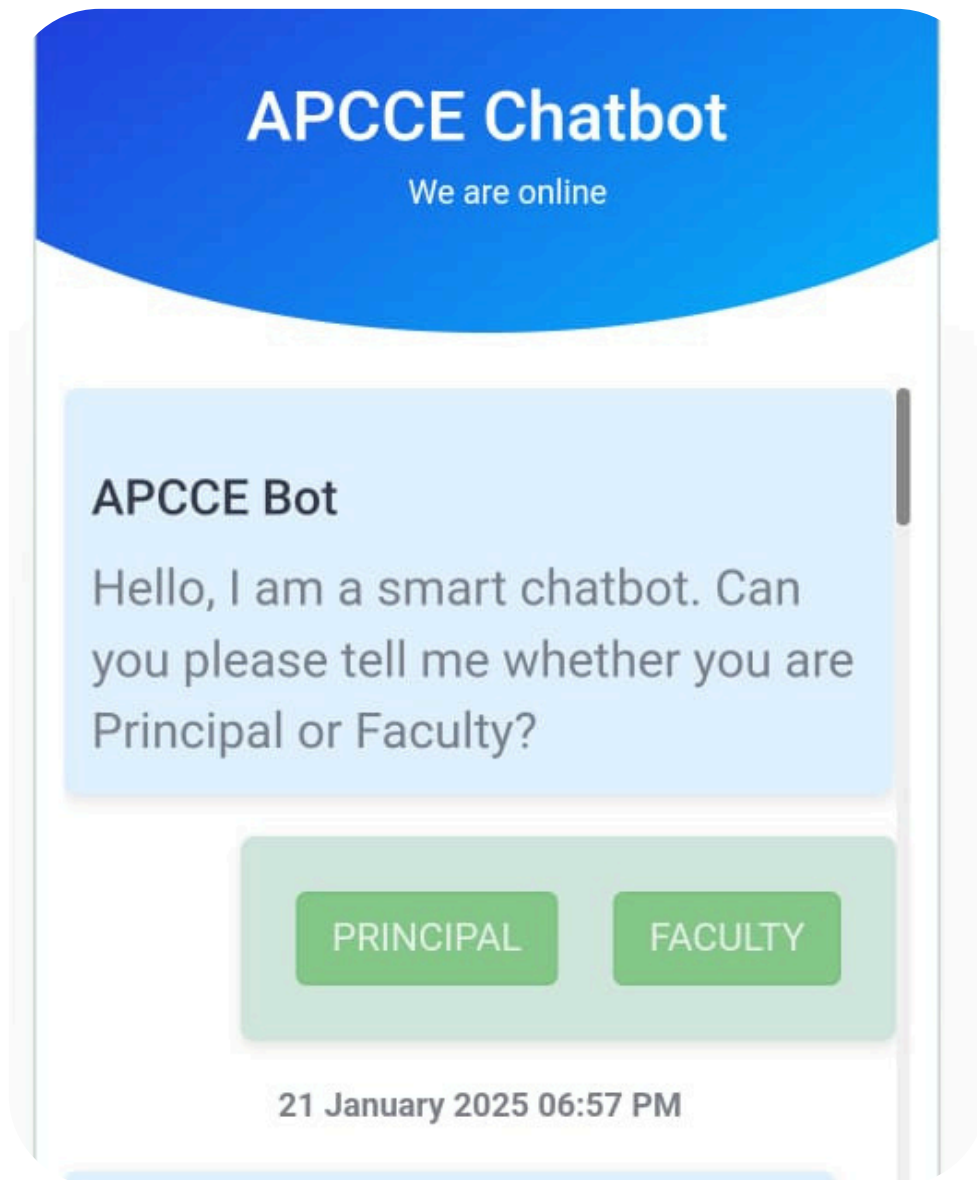

PARTICIPATED IN CCE MEETING

The Principal and the staff virtually participated in the online meeting conducted by the Commissionerate of Collegiate Education (CCE). The meeting focused on key academic policies, faculty development programs, and institutional growth strategies. Various agenda points, including curriculum enhancements, student welfare initiatives, and digital learning advancements, were discussed. The session provided valuable insights into implementing modern teaching methodologies and administrative improvements. Faculty members actively engaged in discussions and shared their perspectives on academic progress. The Principal emphasized the importance of such meetings in aligning the institution with evolving educational standards. The event served as a platform for collaboration between colleges under CCE's guidance. The staff appreciated the opportunity to gain updates on the latest academic and administrative developments. The meeting concluded with actionable takeaways for improving institutional effectiveness and student learning experiences.

STARTED USING CHATBOT

The faculty of the college successfully registered on the Chatbot portal and commenced reporting their daily classwork. This initiative aims to streamline academic monitoring and enhance transparency in teaching activities. The portal allows faculty members to update class progress, share key topics covered, and maintain structured records. It ensures efficient tracking of curriculum completion and facilitates better communication between educators and administration. The system also helps in identifying areas that need academic reinforcement. Faculty members have embraced the digital reporting system, appreciating its user-friendly interface and effectiveness.

FELICITATION TO Dr V.CHITTI BABU FOR COMPLETING Ph.D

Dr V.Chitti babu,
Lecturer in Commerce

The Principal and staff felicitated Dr. V. Chitti Babu, Lecturer in Commerce, for successfully completing his Ph.D. The event was held to recognize his dedication, hard work, and academic achievement. Faculty members congratulated him and appreciated his contribution to research and the field of commerce.

The college organized a Job Mela in collaboration with JKC and the Career Guidance Cell, providing a valuable platform for students to explore career opportunities. Several reputed companies participated in the event, offering diverse job roles across various sectors. Students actively engaged in the recruitment process, attending interviews and interacting with industry professionals. The Career Guidance Cell played a crucial role in guiding students on resume preparation, interview skills, and career choices. The event aimed to bridge the gap between academia and industry, enhancing employability prospects for students. Many candidates secured job offers, reflecting the success of the initiative. Faculty members and organizers ensured smooth coordination, making the event beneficial for both recruiters and job seekers. The college remains committed to supporting students in their career aspirations through such initiatives.

WORKSHOP ON CAREER KICK START BY FACEPREP

The college conducted a Workshop on "Career Kickstart" by FACE Prep in collaboration with LinkedIn, aimed at equipping students with essential career-building skills. The session covered key topics such as resume building, LinkedIn profile optimization, interview preparation, and industry expectations. Experts from FACE Prep and LinkedIn guided students on how to enhance their employability and stand out in the competitive job market. Interactive discussions and hands-on activities helped participants gain practical insights into networking and professional growth. Faculty members appreciated the initiative, highlighting its importance in preparing students for future career opportunities. The workshop successfully empowered students with valuable skills to navigate their career paths effectively.

INTERNSHIP REGISTRATIONS WITH CMS LABS

The internship registration for students for the CMS labs in the APSICHE portal has been successfully completed, marking a significant step in facilitating hands-on learning opportunities. This initiative enables students to gain practical experience by connecting them with industry-relevant internships aligned with their academic curriculum. The seamless registration process on the APSICHE platform ensures that students have access to verified opportunities that enhance their skills and career prospects. Faculty members and coordinators have played a crucial role in guiding students through the registration process, ensuring accuracy and compliance with the necessary guidelines.

A SWAYAM Local Chapter has been established for the college to enhance online learning opportunities. Faculty members and students have registered for various courses aligned with the curriculum. This initiative aims to provide access to high-quality educational resources through SWAYAM's platform. The enrolled courses cover a wide range of subjects, fostering skill development and academic growth. Faculty members are encouraging students to actively participate and complete certifications. The Local Chapter will facilitate guidance and support for learners throughout their coursework. It also promotes self-paced learning, allowing students to enhance their knowledge beyond the classroom. Regular updates and discussions will be conducted to track progress and address challenges. The initiative reflects the institution's commitment to integrating digital learning into the academic framework.

STAFF MEETING

A staff meeting was held on January 10, 2025, at the Principal's chamber to discuss various academic matters related to the Chatbot portal, BOS books, autonomous works, and record preparations. The meeting focused on streamlining academic reporting through the Chatbot system and ensuring efficient documentation of daily classwork. Discussions were also held on the procurement and utilization of Board of Studies (BOS) books to enhance curriculum delivery. The faculty reviewed ongoing autonomous works and emphasized the importance of proper record maintenance for institutional requirements. The Principal stressed the need for timely completion of academic tasks and encouraged faculty members to adopt innovative teaching and administrative practices. The meeting concluded with actionable decisions aimed at improving academic efficiency and institutional development.

PRESENTED RESEARCH WORK

Sri K. Venkanna, Lecturer in Physics, presented his research work for the final end-semester evaluation of his Ph.D. at NIT Tadepalligudem. His presentation focused on significant findings in his area of study, contributing to advancements in physics research. The session was attended by faculty members, research scholars, and subject experts who evaluated his work. He received valuable feedback and suggestions for further refinement of his research. His dedication and efforts in the field of physics were well appreciated by the academic panel. The presentation marked a crucial step toward the successful completion of his doctoral studies. His research is expected to add valuable insights to the scientific community. The institution congratulates him on this academic milestone and wishes him success in his Ph.D. journey.

PARTICIPATED IN INTERNATIONAL WEBINAR

Sri K. Venkanna, Lecturer in Physics, participated in a two-day international webinar organized by Y.V.N.R. Government Degree College on the topic "Research Methodology in Material Sciences." The webinar featured distinguished experts who discussed advanced research techniques, recent developments, and emerging trends in material sciences. Sri K. Venkanna actively engaged in the sessions, gaining valuable insights into innovative methodologies and experimental approaches. The event provided an opportunity for researchers and academicians to exchange knowledge and explore interdisciplinary collaborations. His participation reflects his commitment to academic growth and staying updated with the latest advancements in the field.

PRESENTED A PAPER IN INTERNATIONAL SEMINAR

Sri K. Venkanna, Lecturer in Physics, presented a research paper on the topic "Quantum Mechanics and Linguistics" during the two-day international seminar organized by the college. His presentation explored the intriguing intersection of physics and language, highlighting the potential connections between quantum principles and linguistic structures. The seminar brought together scholars and researchers from diverse fields, fostering interdisciplinary discussions. Sri K. Venkanna's research received appreciation for its innovative approach and analytical depth. His participation contributed to the academic discourse, encouraging further exploration of unconventional research areas. The event provided a platform for knowledge exchange and collaboration among experts. The college commends his efforts in advancing scholarly research and bringing new perspectives to the scientific community.

Sri K. Venkanna, Lecturer in Physics, participated in a five-day Professional Development Program on "IoT Security and SOC Practices," organized by VNR Vignana Jyothi Institute of Engineering & Technology. The program focused on key aspects of Internet of Things (IoT) security, cybersecurity frameworks, threat detection, and Security Operations Center (SOC) practices. Experts from the field provided insights into safeguarding IoT devices, encryption techniques, and risk management strategies. Sri K. Venkanna actively engaged in the sessions, gaining valuable knowledge on emerging security challenges in IoT. His participation reflects a commitment to staying updated with technological advancements and integrating relevant knowledge into academics. The college appreciates his efforts in enhancing expertise in this evolving domain.

PARTICIPATED IN ONLINE SHORT TERM COURSE

Sri M. Kishore, Lecturer in Commerce, participated in an online short-term course on "Stress Management and Mental Well-being" conducted by UGC-MMTC, Osmania University, Hyderabad. The program focused on strategies for managing stress, maintaining mental well-being, and enhancing productivity in both professional and personal life. Experts shared insights on mindfulness techniques, emotional resilience, and work-life balance, providing practical approaches to handling stress effectively. Sri M. Kishore actively engaged in the sessions, gaining valuable knowledge on fostering mental wellness among students and educators. His participation reflects a commitment to professional development and holistic well-being in the academic environment. The college appreciates his initiative in enhancing awareness about mental health.

PARTICIPATED IN IP AWARENESS PROGRAM

Sri M. Kishore, Lecturer in Commerce, participated in the IP Awareness Program conducted by Intellectual Property India. The program aimed to enhance knowledge about intellectual property rights (IPR), patents, trademarks, copyrights, and their significance in academia and business. Experts from the field provided insights into the role of IPR in innovation, research, and entrepreneurship. Sri M. Kishore actively engaged in discussions, gaining a deeper understanding of legal frameworks and the importance of protecting intellectual assets. The session highlighted the need for awareness and application of IP laws in various industries, including commerce and trade. His participation reflects his dedication to continuous learning and professional development. The college appreciates his efforts in staying updated with evolving business and legal trends.

Dr. A. Arjuna Apparao, Lecturer in Zoology, participated in a one-week national-level online Faculty Development Program organized by GDC Women, Guntur, in collaboration with the Commissionerate of Collegiate Education (CCE). The program aimed to enhance teaching methodologies, research skills, and academic advancements in the field of zoology and related sciences. Renowned experts conducted interactive sessions, covering various aspects of innovative teaching strategies and professional growth. Dr. Arjuna Apparao actively engaged in discussions and gained valuable insights to implement in his academic practices. The FDP provided a platform for faculty members across the country to exchange knowledge and explore new educational perspectives. His participation reflects his commitment to continuous learning and professional development. The college appreciates his efforts in upgrading his skills for the benefit of students and the institution.

PARTICIPATED IN NATIONAL WEBINAR

Dr. K. Vijaya Lakshmi, Lecturer in Botany, participated in a national webinar organized by A.S.N.M. Government Degree College on the topic "Natural Remedies for Stress-Induced Diseases." The webinar focused on the role of medicinal plants, herbal treatments, and lifestyle modifications in managing stress-related health issues. Experts from various fields shared insights into the therapeutic benefits of natural remedies and their scientific significance. Dr. Vijaya Lakshmi actively engaged in the discussions, gaining valuable knowledge on integrating botanical research with healthcare practices. The event served as a platform for academicians and researchers to explore innovative approaches in plant-based medicine. Her participation highlights her dedication to continuous learning and contribution to the field of botanical sciences. The institution appreciates her involvement in such academic endeavors.

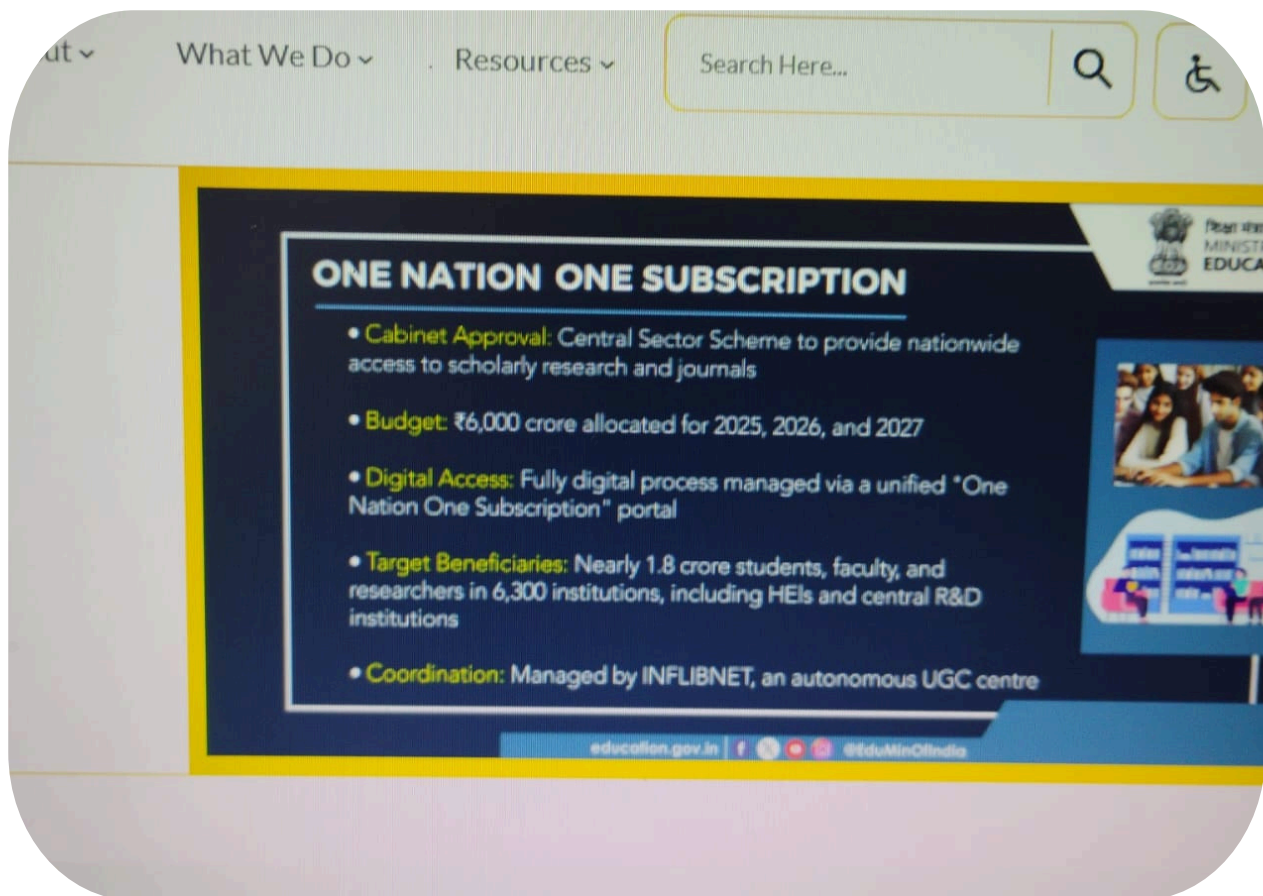

PARTICIPATED IN IP AWARENESS PROGRAM

Dr. K. Vijaya Lakshmi, Lecturer in Botany, participated in the IP Awareness Program conducted by Intellectual Property India. The program aimed to enhance knowledge about patents, copyrights, trademarks, and other aspects of intellectual property rights. Experts provided insights into the importance of protecting innovations and research through legal frameworks. Dr. Vijaya Lakshmi actively engaged in discussions, gaining valuable information on IP laws and their applications in academia and research. The session emphasized the role of intellectual property in scientific advancements and innovation. Her participation reflects a commitment to staying informed about legal and ethical aspects of research. The college appreciates her involvement in such initiatives that contribute to academic excellence and awareness of intellectual property rights.

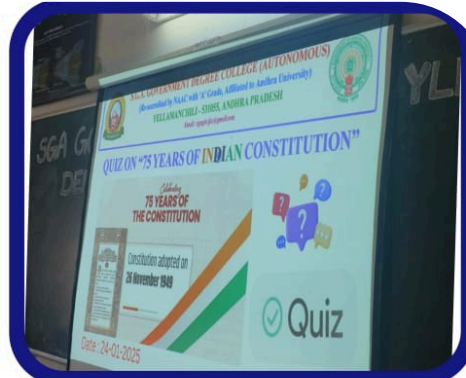

COLLEGE LIBRARY REGISTERED FOR ONOS

The college library has successfully registered for ONOS (One Nation One Subscription), providing faculty and students with seamless access to a vast collection of academic journals and research publications in one place. This initiative enhances the institution's research environment by offering high-quality scholarly resources across various disciplines. ONOS enables users to explore national and international journals, e-books, and databases, fostering academic excellence and innovation. Faculty members and students can now easily access credible research materials, supporting their studies and projects. The college administration appreciates this step towards promoting digital learning and research accessibility for the academic community.

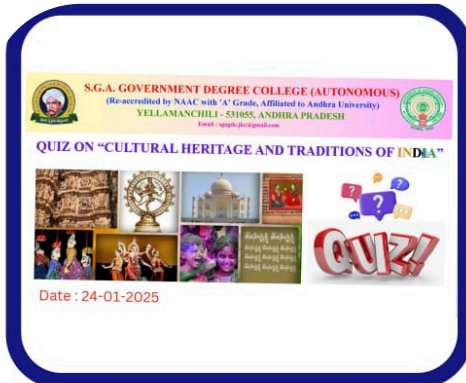

QUIZ ON INDIAN CONSTITUTION

The college conducted a quiz on the Indian Constitution to enhance students' knowledge of constitutional principles, rights, and governance. The event saw enthusiastic participation from students across various disciplines, showcasing their understanding of fundamental rights, duties, and the structure of the Indian government. The quiz covered key topics such as the Preamble, Directive Principles of State Policy, fundamental rights, and amendments. It aimed to promote awareness of constitutional values and their relevance in daily life. The winners were recognized and awarded for their outstanding performance. Faculty members appreciated the initiative, emphasizing the importance of constitutional literacy among students. The event successfully fostered a spirit of learning and civic responsibility.

QUIZ ON CULTURAL HERITAGE AND TRADITIONS OF INDIA

The college conducted a Quiz on Cultural Heritage and Traditions of India to promote awareness and appreciation of the country's rich history, customs, and traditions. Students from various disciplines enthusiastically participated, showcasing their knowledge of Indian art, literature, architecture, festivals, and historical landmarks. The quiz covered diverse topics, including UNESCO heritage sites, classical dance forms, traditional attire, and regional cuisines. The event aimed to instill a sense of pride and understanding of India's diverse cultural legacy. Winners were awarded for their outstanding performance, and all participants were encouraged to continue exploring India's heritage.

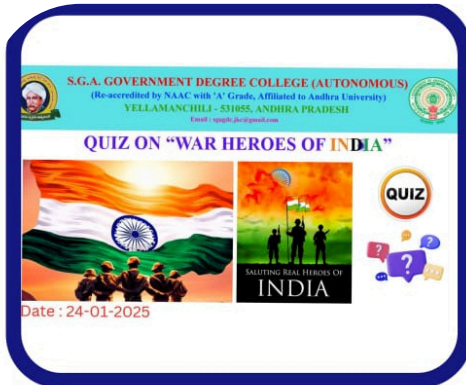

INVITATION CARD DESIGN COMPETITION

The college conducted an Invitation Card Design Competition on the occasion of Republic Day, encouraging students to showcase their creativity and artistic skills. Participants designed unique and patriotic invitation cards reflecting the spirit of the Indian Republic. The competition aimed to inspire students to express their love for the nation through design, colors, and meaningful symbols. Entries were judged based on creativity, originality, and relevance to the theme. The best designs were selected and recognized with appreciation certificates. Faculty members praised the students for their innovative efforts and artistic expression. The event successfully fostered a sense of patriotism and creativity among participants, making the Republic Day celebrations more vibrant and meaningful.

QUIZ ON WAR HEROES OF INDIA

The college conducted a Quiz on War Heroes of India to honor the bravery and sacrifices of the nation's soldiers. The event aimed to educate students about the valor of Indian armed forces and their contributions to national security. Participants answered questions on legendary war heroes, major battles, military operations, and gallantry awards. The quiz highlighted the stories of Param Vir Chakra awardees and other defense personnel who played crucial roles in safeguarding the country. Students actively engaged in the competition, deepening their knowledge of India's military history. The winners were recognized for their exceptional performance, and all participants were encouraged to learn more about India's defense forces.

ESSAY WRITING COMPETITION

The college conducted an Essay Writing Competition on the occasion of National Republic Day to encourage students to reflect on the significance of the Indian Constitution and democratic values. Participants expressed their thoughts on topics related to India's journey as a republic, fundamental rights, duties, and the role of youth in nation-building. The competition aimed to enhance students' writing skills, critical thinking, and awareness of national ideals. Faculty members appreciated the insightful essays, and the best entries were recognized with awards. The event successfully fostered patriotic spirit and a deeper understanding of India's democratic heritage among students.

PAINTING CONTEST

The college conducted a Painting Contest on the theme "Rachanatmak Bharat" (Creative India) to encourage students to express their vision of a progressive and innovative nation through art. Participants showcased their creativity by depicting themes such as technological advancements, cultural diversity, sustainable development, and India's rich heritage. The contest aimed to inspire artistic expression while promoting the idea of a forward-thinking and inclusive India. Faculty members and judges appreciated the students' efforts, and the best artworks were recognized with awards. The event successfully fostered creativity, patriotism, and awareness about India's growth and development.

WORLD LEPROSY DAY

The Department of Zoology observed World Leprosy Day to raise awareness about leprosy, its prevention, treatment, and the need to eliminate stigma associated with the disease. Faculty members and students participated in discussions highlighting the significance of early diagnosis and medical advancements in leprosy treatment. Awareness sessions were conducted to educate students about the role of hygiene, public health initiatives, and government programs aimed at eradicating the disease. The event emphasized the importance of compassion and inclusion for those affected by leprosy. The college appreciated the department's efforts in spreading awareness and promoting social responsibility among students.

Distributed Study materials to students at no Cost

The Department of Physics has distributed study materials related to PGCET, IIT JAM, and GATE to students at no cost, aiming to support their exam preparation and enhance their academic prospects. This initiative provides valuable resources to help students excel in competitive exams and pursue higher education opportunities.

SUPPORT TO CAMPUS MAINTENANCE STAFF

On the occasion of Pongal, the college distributed essential things to the maintenance staff as a gesture of gratitude and appreciation for their dedicated service. The initiative aimed to support the staff and celebrate the spirit of the festival with inclusivity and kindness. Faculty members and students actively participated in the distribution, making the event more meaningful. The recipients expressed their gratitude for the thoughtful gesture, which added joy to their festive celebrations. The college management emphasized the importance of recognizing and supporting the efforts of non-teaching staff. Such initiatives foster a sense of community and strengthen the bond between the institution and its employees. The event concluded with warm wishes and celebrations, reflecting the true essence of Pongal.
