JOB DRIVE CONDUCTED BY JKC

Date: 21-03-2024

The Jawahar Knowledge Center (JKC) at the college organized a job fair, showcasing proactive initiatives in career development. This event served as a platform for students to explore employment opportunities and network with prospective employers. The JKC's efforts in hosting the job mela underscore its commitment to facilitating smooth transitions from academia to the professional world. With a focus on bridging the gap between education and industry, the job fair aimed to empower students with the skills and knowledge necessary for success in their careers.

STUDENTS PARTICIPATED IN JOB FEST

Date: 05-03-2024

Students from the college enthusiastically participated in a job fair hosted at Visakha Women's Degree and PG College, organized by the Andhra Pradesh State Skill Development Corporation (APSSDC). This collaborative event provided an excellent opportunity for our students to explore various career prospects and interact with potential employers. The participation of our students exemplified their proactive approach towards securing employment and enhancing their professional skills. As they engaged with recruiters from diverse industries, they gained valuable insights into job requirements and industry expectations. The job fair served as a platform for our students to showcase their talents and capabilities to a wider audience.

STUDENTS JOINED IN INTERNSHIP

Date: 26-03-2024

Students from the college enthusiastically seized the opportunity to participate in an internship program offered by Foxconn company, in collaboration with GEE KAY Human Resources Pvt Ltd. This internship initiative provided a valuable hands-on learning experience for the students. Participating in this internship allowed students to apply theoretical knowledge gained in the classroom to real-world scenarios. The experience offered by Foxconn broadened the students' perspectives and enhanced their understanding of industry practices.

RENOVATION WORK WITH RUSA FUNDS

Date: 03-03-2024

Renovation works within the college commenced thanks to the allocation of RUSA funds. This development signals a significant step towards enhancing the infrastructure and facilities on campus. The utilization of RUSA funds underscores the government's commitment to improving educational institutions across the nation. The renovation project aims to modernize existing facilities and create a more conducive learning environment for students and faculty alike. With RUSA funds at our disposal, we can address long-standing infrastructure challenges and upgrade essential amenities.
