INAUGURATION OF THE LONG TERM INTERNSHIP

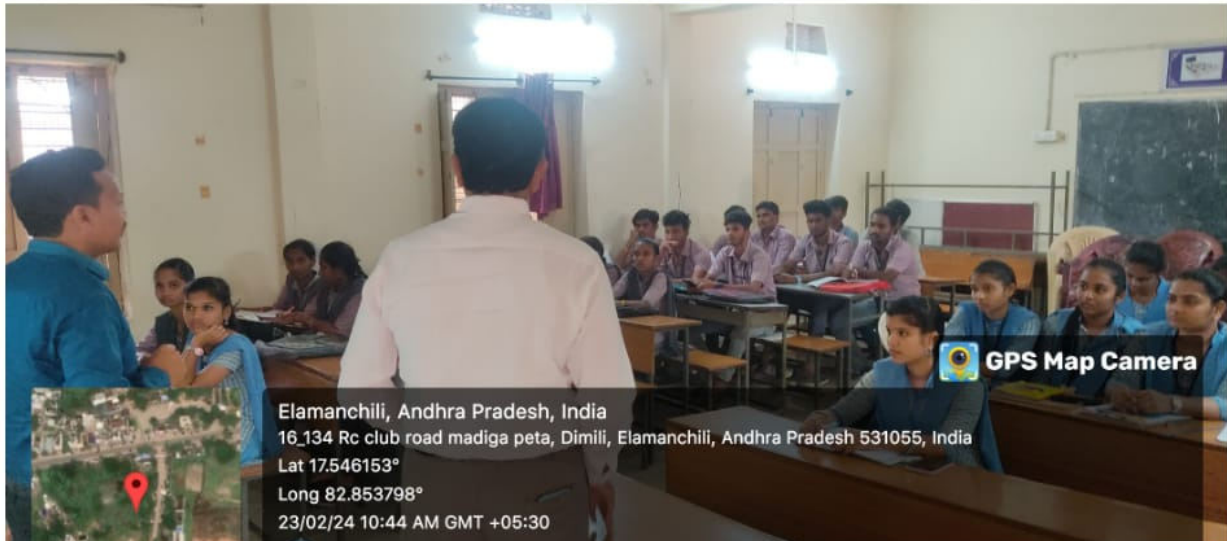

Date: 12-02-2024

The college is collaborating with Datapro to organize a long-term internship within the campus. The program's inauguration took place at the Seminar Hall on 12-02-2024. The Principal, Dr P Chandra Sekhar speaks “The long-term internship initiative promises to provide students with invaluable practical skills, mentorship, and networking opportunities right within the campus grounds. Through this collaboration, students can look forward to gaining firsthand knowledge, developing professional relationships, and exploring potential career paths in the ever-evolving field of data technology. “

AWARENESS PROGRAM ON IMAP REGISTRATION

Date: 23-02-2024

On February 23, 2024, the college organized an awareness program at Mana TV Hall for final-year students undergoing an extended internship. The focus was on IMAP registration and task submission guidance. This initiative aimed to equip students with the necessary information and processes related to their long-term internships, ensuring a smooth and efficient experience. The event underscored the college's commitment to supporting students in their academic and professional endeavors, providing valuable guidance for a successful internship period.

APPGCET COACHING TO FINAL YEAR STUDENTS

APPGCET CHEMISTRY 2024

Group · 33 members

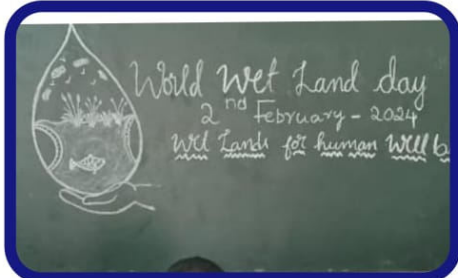

Date: 20-02-2024

The Department of Chemistry took a proactive initiative by organizing APPGCET coaching sessions for final-year students, commencing on the 20th of February 2024. This coaching program is designed to equip students with the necessary skills and knowledge required to excel in the Andhra Pradesh Post Graduate Common Entrance Test (APPGCET). The comprehensive coaching aims to enhance students' understanding of chemistry and prepare them for the rigorous examination process.

The coaching initiative reflects the Department of Chemistry's commitment to the academic success and future prospects of its students. By fostering an environment conducive to learning and excellence, the department contributes to the broader goal of empowering students to pursue advanced education at renowned institutions.

WORLD WETLANDS DAY

Date: 02-02-2024

The Department of Botany observed the world wetlands day on 02-02-2024. The faculty of the department emphasized the need for conservation efforts to safeguard these precious environments for the benefit of both present and future generations. Wetlands are crucial ecosystems that support a wide variety of plants and animals, playing a vital role in maintaining biodiversity and ecological balance. The Department of Botany highlighted the importance of preserving wetlands not just for the flora and fauna that call them home, but also for the countless benefits they provide to humans. From purifying water and controlling floods to offering recreational opportunities and serving as carbon sinks, wetlands are truly invaluable.

NATIONAL SCIENCE DAY

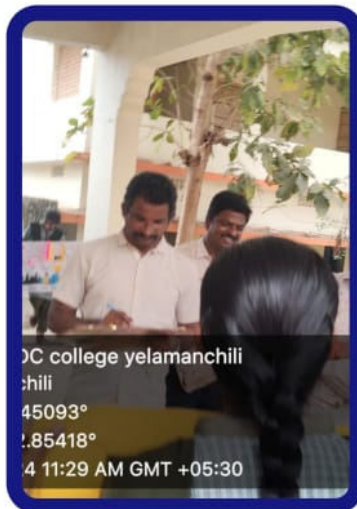

Date: 28-02-2024

The Seminar Hall hosted celebrations for National Science Day. The event marked a significant gathering to honor scientific achievements. The festivities at the Seminar Hall were dedicated to recognizing the importance of science and its impact on society. Students engaged in discussions and activities over the last week to promote scientific awareness. The celebration at the Seminar Hall served as a platform to inspire and foster a passion for science among participants.

CHART PREPARATION COMPETITION

Date: 26-02-2024

In celebration of National Science Day, the Department of Physics organized a chart preparation competition for students. The event provided an engaging platform for participants to showcase their creativity and scientific knowledge. Students enthusiastically participated, contributing to the vibrant atmosphere of the occasion. The competition was a fitting tribute to the spirit of scientific inquiry, fostering a sense of curiosity and innovation among the student community. The event highlighted the department's commitment to promoting science education and cultivating a passion for exploration.

QUIZ COMPETITONS

Date: 26-02-2024

To commemorate National Science Day, the Department of Physics orchestrated a captivating quiz competition for students. The event aimed to engage participants in a stimulating intellectual challenge, promoting enthusiasm for science. With a focus on fostering a spirit of inquiry, the competition provided a platform for students to showcase their knowledge and passion for physics. This initiative reflects the department's commitment to celebrating scientific achievements and encouraging active participation in academic pursuits. The quiz competition stands as a dynamic way to honor National Science Day and inspire a love for scientific inquiry among students.
