**DEPARTMENT OF COMPUTER SCIENCE**

Name of the activity	Guest Lecture on Artificial Intelligence
Date of activity	<b>23.10.2025</b>
No. of Participants	I B.Sc. Computer Science students. R. Ganga Bhavani
Outcome of the activity	The <b>Guest Lecture on Artificial Intelligence</b> provided students with a deeper understanding of AI concepts, including machine learning, neural networks, and real-world applications in various industries. Participants gained insights into current trends, challenges, and ethical considerations in AI development. The activity enhanced students' technical knowledge, sparked interest in AI research, and encouraged them to explore innovative solutions using artificial intelligence in practical scenarios.

Name of the activity	Guest Lecture C- Language by Thrimurthulu, ADC VSKP
Date of activity	<b>25.11.2025</b>
No.of Participants	I B.Sc. Computer Science students-44
Outcome of the activity	The guest lecture on C programming enhanced students' understanding of fundamental concepts such as data types, control structures, and functions. Students gained practical insights into writing efficient programs and real-world applications of C language. The session improved their problem-solving skills and motivated them to explore programming with greater confidence.
